

# ***TEXCAN***

A Sonepar Company

A close-up, front-facing view of a high-speed train, likely a TGV, with a blue and black livery. The train is positioned on tracks, and the background is a solid blue color. The text "WIRE & CABLE FOR TRANSIT APPLICATIONS" is overlaid in white, bold, sans-serif font across the lower half of the image.

## **WIRE & CABLE FOR TRANSIT APPLICATIONS**

# Transit

## Every Transit Project is Unique

At Texcan, we recognize that no two transit projects are the same. We will work with you from start to finish to manage the wire and cable component of your project according to your needs.

Texcan offers customers an enhanced level of professional service for major projects that require a long-term commitment and strategy. Our technical expertise, long-standing relationships with suppliers, and access to Sonepar resources ensures that your project proceeds smoothly.

## Products for Transit Applications

We are your wire and cable experts. Our expertise allows us to be a resource for all of your product and technical questions. Our extensive inventory means that we have what you need, when you need it. Our products include:

- Cable Accessories
- Catenary and Messenger Cables (OCS)
- Control Cables
- Fire-Rated Cables
- Power Cables
- Signal and Communications Cables
- Traction Power Cables

## Local Expertise with a Global Presence

Established in 1978, Texcan is one of Canada's largest wire and cable distributors and part of the Sonepar Group of companies. Founded in 1969, Sonepar is an independent family-owned company and global market leader in the B-to-B distribution of electrical products, solutions, and related services. Together, we meet your wire and cable needs both locally and globally. We are passionate about our customers' projects and contracts. We are Sonepar, "Powered by Difference".

## Project Management Experience

Over the past 40 years, Texcan has worked with procurement, engineering, and contractor teams on projects across Canada and overseas.

### Past transit projects include:

- Ottawa Confederation Line (Ottawa)
- Eglinton Line (Toronto)
- Edmonton LRT Valley Line (Edmonton)
- Calgary West Line (Calgary)
- Canada Line (Vancouver)
- Expo Line (Vancouver)
- Millennium Line (Vancouver)
- Evergreen Line (Coquitlam)
- LRT Kelana Jaya Line (Kuala Lumpur)

## Quality & Compliance

Texcan is committed to providing you with products and services of the highest quality.

### Certifications:

- ISO 9001:2015
- CSA Class No. 5839-01
- CSA Class No. 5839-81

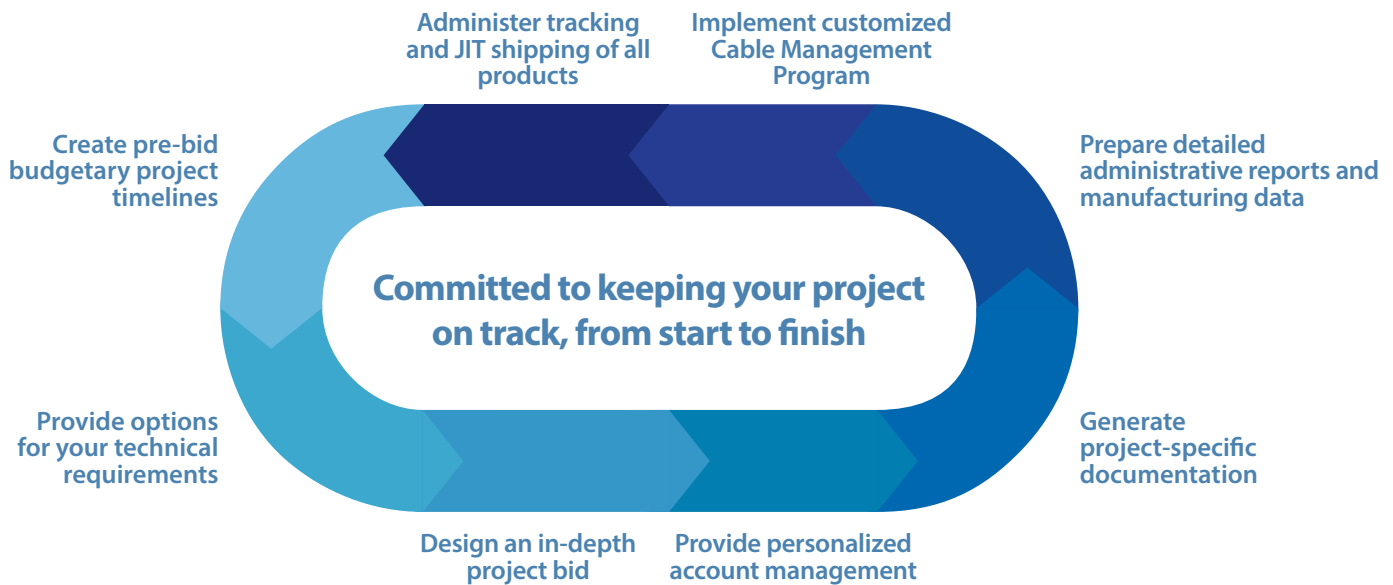

### Memberships:

- ISNetwork
- ComplyWorks

## As Your Project Partners, We Can Help You...

## Product Sourcing

We are proud of our reputation for sourcing quality wire and cable products for both common and one-of-a-kind applications. Our warehouses across Canada stock over 16,000 products from leading global wire and cable manufacturers. Our partners and suppliers include:

**Prysmian**  
Group

 **PRYSMIAN**

 **Draka**

 **General Cable**

**Southwire®**

**BELDEN**  
SENDING ALL THE RIGHT SIGNALS

**northern**  
**cables**  
INCORPORATED

**DECA**  
CABLES

**CABLES**  
**PTI**  
CABLES INC.

...and many more!

## Supply Chain Efficiencies

We can help you improve supply chain efficiencies through:

- Timely and efficient product management and sourcing solutions
- Extensive knowledge of product applications
- Stock and storage in over 800,000ft<sup>2</sup> of warehouse space
- Real time inventory tracking
- Custom barcoding
- Specialty cables ordered and shipped JIT

## Cable Management Program

Our extensive, industry-leading Cable Management Program can be customized to serve your project needs, assist you with meeting project milestones, and help you stay within your budget. The program includes:

- Dedicated team with extensive project management experience
- Product storage and delivery for on-demand release
- Customized packaging and shipping plan
- Customer-specified shipping labels and weather-proof tags
- Documentation adapted to project requirements
- Expediting and progress reports
- Specialized reporting as needed

## Emergency & After Hours

When operations are running 24/7, emergency support must be there whenever it's needed. We know disruptions can be dangerous and costly – that's why we have live help available around the clock.

Texcan customers can depend on a real person for help after hours, on weekends, and holidays. Call your [local branch](#) for our Emergency & After Hours Services.

**When others can't, TEXCAN**

WIRE & CABLE SPECIALISTS SINCE 1978

# Cables for Transit Applications

## Control Cables

### Tray Cable

- 600V, 1kV
- XLPE, PVC, LSZH
- FT4

### Loop Cable

- 14 gauge, 600V
- PVC, LSZH
- FT1

### Teck Cable

- 600V, 1kV
- XLPE, PVC, LSZH, AIA
- FT4

## Power Cables

### Medium Voltage Power Cable

- 15kV, 25kV, 28kV, 35kV
- XLPE, EPR, PVC, LSZH
- FT4

### Distribution Cable

- 25kV, 28kV, 35kV
- XLPE, EPR, LLDPE, LSZH

### Traction Power Cable

- 1kV, 2kV
- XLPE, EPR, PVC, XLPO, CPE, LSZH
- FT4

## Signal and Communications Cables

### Category 5E and 6

- Multiple constructions available
- HDPE, Polyolefin, Fluoropolymer, PVC, AIA
- Shielded/Unshielded

### Coaxial Cable

- Multiple constructions available
- PVC, FEP, LSH, PVDF
- Shielded/Unshielded

### Instrumentation Cable

- 150V, 300V, 600V
- XLPE, PVC, AIA
- Shielded/Unshielded

### Fiber Optic Cable

- Multiple constructions available
- Singlemode/Multimode
- Loose-Tube/Tight-Buffered
- Armoured, Breakout, Composite constructions

## Bare Copper Cables

### Catenary Cable

- Multiple constructions available
- Solid/Stranded
- Round, Grooved

### Messenger Cable

- Multiple constructions available
- Stranded HD Copper
- Round, Grooved

## Fire Rated Cables

### VITALink® MC Transit Cable

- 600V
- Thermoset LSZH, Polyolefin LSZH
- CCW Copper or Unarmoured
- FT4

### VITALink® Comtran 2-Hour Fire Rated Cable

- 600V
- Thermoset LSZH, Polyolefin LSZH
- FT4

## Cable Accessories

- Cable cleats & ties
- Compression lugs
- Heat shrink tubing
- Heat shrink boots
- Identification products
- MV Terminations
- Mounts and accessories
- Splices
- Complete line of accessories

## Industrial Automation

Texcan offers multiple cable systems with a variety of protocol cables.
