 WORKPLACE GIVERS

Proudly supporting children worldwide

WORKPLACE GIVING IS A SIMPLE AND EFFECTIVE WAY FOR YOU TO SUPPORT UNICEF AUSTRALIA.

TO BECOME A WORKPLACE GIVER, FIRST NOMINATE AN AMOUNT OF YOUR CHOICE TO DONATE EACH MONTH.

When you donate through your payroll, you reap the benefits upfront by reducing your taxable income, instead of waiting for tax time. Your organisation may match your donation doubling, or even tripling, your impact.

WHY UNICEF AUSTRALIA?

Choosing to become a UNICEF Australia Workplace Giver means you will play a direct hand in supporting every child in need to survive and thrive.

WHY MONTHLY DONATIONS?

UNICEF relies solely on charitable donations to fund our vital work. With regular contributions from our Workplace Givers, we can forecast funds and plan our resources for where they are needed most. You can feel confident knowing your hard-earned money is helping to create a brighter future for all children in need.

WORKPLACE GIVING HELPS US CONTINUE TO DO AMAZING THINGS, BY SUPPORTING CHILDREN...

during emergencies

to access clean water and sanitation

with a quality education

through lifesaving vaccines

in a changing climate.

THERE ARE MANY WAYS YOU CAN MAKE AN IMPACT TO CHILDREN'S LIVES, DONATING IS JUST ONE.

VOLUNTEERING IS AN INCREDIBLE WAY FOR YOU AND YOUR TEAMMATES TO GIVE BACK TO CHILDREN IN NEED IN AN IMPACTFUL AND MEANINGFUL WAY.

GIVE BACK WITH PURPOSE

Volunteering helps drive a greater sense of purpose and meaning. Knowing your actions have positively impacted children can go a long way.

STRENGTHEN CULTURE

Team members from across your organisation can collaborate on a project that's dedicated to improving the lives of children. What better way to connect than through meaningful and fun activities?

HAVE FUN WHILE DEVELOPING YOUR SKILLS

Volunteering gives you the chance to develop skills like leadership, teamwork and project management, while having fun and creating impact.

MAXIMISE YOUR IMPACT

There is often a value attributed to your volunteer time, so your individual and collective impact can go further if your organisation double, or triple, matches your volunteering time.
