WORKPLACE GIVERS

Proudly supporting children worldwide

WORKPLACE GIVING IS A SIMPLE AND EFFECTIVE WAY FOR ORGANISATIONS AND THEIR EMPLOYEES TO SUPPORT UNICEF AUSTRALIA.

TO BECOME A WORKPLACE GIVER, EMPLOYEES SIMPLY DONATE A CHOSEN AMOUNT FROM THEIR PAY EACH MONTH, PRE-TAX.

This helps them to reap the benefits upfront by reducing their taxable income, instead of waiting for tax time. We also encourage organisations to match their employees donations, doubling the impact.

WHY UNICEF AUSTRALIA?

Choosing to become a UNICEF Australia Workplace Giver means you will play a direct hand in supporting every child in need to survive and thrive.

WHY MONTHLY DONATIONS?

UNICEF relies solely on charitable donations to fund our vital work. With regular contributions from our Workplace Givers, we can forecast funds and plan our resources for where they are needed most. Your employees will feel confident knowing their hard-earned money is helping to create a brighter future for all children in need.

WORKPLACE GIVING HELPS US CONTINUE TO DO AMAZING THINGS, BY SUPPORTING CHILDREN...

during emergencies

to access clean water and sanitation

with a quality education

through lifesaving vaccines

in a changing climate.

VOLUNTEER FOR CHANGE

YOU CAN CHOOSE TO SUPPORT UNICEF AUSTRALIA IN MORE WAYS THAN ONE.

VOLUNTEERING IS AN INCREDIBLE WAY FOR YOUR ORGANISATION TO GIVE BACK TO CHILDREN IN NEED.

GIVE BACK WITH PURPOSE

Volunteering gives employees a greater sense of purpose and meaning. Knowing their actions have positively impacted children can go a long way.

STRENGTHEN CULTURE

Employees from across your organisation can collaborate on a project that's dedicated to improving the lives of children - creating a greater sense of workplace culture.

BRAND LEADERSHIP

Actively engaging in volunteering shows your commitment to socially conscious and purpose-driven activities, helping to foster care and trust within the business and community.

MAXIMISE YOUR IMPACT

When you attribute a value to the time employees volunteer, they can further the organisation's impact when you double or triple match your employees volunteering time.
