Range of formats for accessibility, portability and savings

Eligible for landfill diversion through our hassle-free, fully traceable Thrive™ for wipes program¹

Engineered to remove tough:

Grease

Glue

Oil

Marker

Caulk

Paint

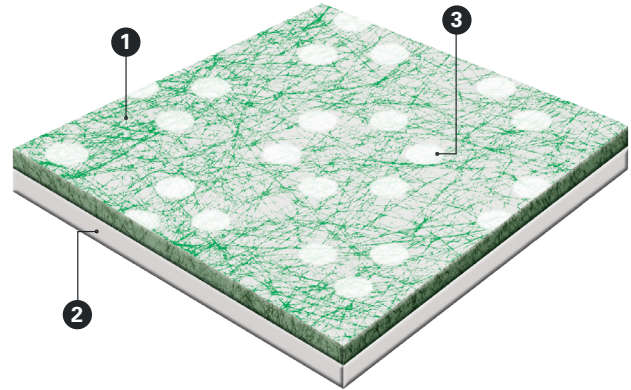

Tar

What makes ProScrub™ such an efficient clean?

It's our proprietary **citrus-powered cleaning formula** coupled with our very own **different-sided base sheet**, with an abrasive side to rapidly remove and a smooth side to quickly clean up.

- 1 Abrasive surface scrubs off tough-to-remove soil and grime.
- 2 Smooth, absorbent side soaks what remains, preventing it from returning to hands or surfaces.
- 3 Patented starburst bond pattern helps ensure consistent release of cleaning solution as you wipe.

ProScrub™ fits your needs

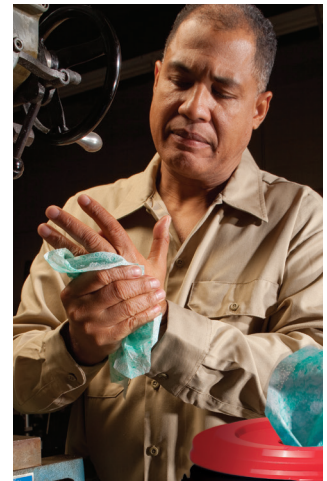

ProScrub™ is the **only Heavy Duty Wet Towel** line in North America **with buckets, refills and canisters** to ensure you have the optimal configuration for your company's needs.*
