

# Take the Safer Surface Prep Challenge.

Still using wire wheels to remove rust, coatings, and paint? Are you dodging flying metal wires and feeling excessive vibration? Take the pain out of surface prep and cut through rust, coatings, and paint with Scotch-Brite™ Clean and Strip XT Pro Discs.

It's time to tackle tough jobs with low risk and high performance.

Scotch-Brite™  
Clean and Strip  
XT Pro Disc

90%  
Less vibration

54%  
Faster

vs. Crimped Wire Cup Brushes Tested<sup>1</sup>

Wire wheel

# Features and Benefits

## Scotch-Brite™ Nonwoven Technology

Performance. Durability. Reliability.  
Quality of finish.

- Built with Nonwoven synthetic fiber webs
- Simplicity of operation
- No compromise on quality

Scan for product ordering details.

## Scotch-Brite™ Technology Explained

- Flexible nylon fibers reinforced with resin and mineral
- The fibers and particles are bound together to form an open, three-dimensional structure
- Structure helps the product conform and bounce back without leaving an uneven finish
- 3M Nonwoven web is engineered to continually expose fresh abrasive to the surface for a consistent, smoother finish

## Productivity and Safety Benefits

- Abrasives resists loading due to their open and tough web construction
- Reduces the risk of substrate discoloration and warping, and prolongs product life
- Better conformability means less rework and rejects which helps save time during production process
- Faster action means less 'trigger time' spent on the tool which means less exposure to hand-arm vibration

# Join the Challenge

Why waste time with wires when you can safely power through your toughest projects with Scotch-Brite™ Clean and Strip XT Pro. Challenge yourself and step up to superior performance today!

**Get yours today at [3M.com/XTPro](https://www.3M.com/XTPro)**

Stop wasting time with wires. Turn down the hazard and spin up efficiency with Scotch-Brite™ Clean and Strip XT Pro.

1. 90% vibration and 54% speed compared to listed competitor and Scotch-Brite™ Clean and Strip XT Pro Disc, Type 27, according to independent testing by Fraunhofer Institute on October 2021.

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property. Disclaimer: 3M industrial and occupational products are intended, labeled, and packaged for sale to trained industrial and occupational customers for workplace use. Unless specifically stated otherwise on the applicable product packaging or literature, these products are not intended, labeled, or packaged for sale to or use by consumers (e.g., for home, personal, primary or secondary school, recreational/sporting, or other uses not described in the applicable product packaging or literature), and must be selected and used in compliance with applicable health and safety regulations and standards (e.g., U.S. OSHA, ANSI), as well as all product literature, user instructions, warnings, and other limitations, and the user must take any action required under any recall, field action, or other product use notice. Misuse of 3M industrial and occupational products may result in injury, sickness, death, or property damage. For help with product selection and use, consult your on-site safety professional, industrial hygienist, or other subject matter expert. For additional product information, visit [www.3M.com](https://www.3M.com). Warranty and Limited Remedy: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price. Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
