What's in your toolbox?

3M™ Heavy Duty
Duct Tape 3939

#DependOnDuct

3M™ Heavy Duty Duct Tape 3939

Features & Benefits

- Rubber adhesive that adheres aggressively to most surfaces for good holding power and a tight seal.
- Polyethylene coated cloth scrim that resists moisture to prolong tape bond.
- Meets UL 723, HUD, and BOCA codes.
- Offers easy tear and conformability.
- Low tack roll edges (48 mm) so edges stay cleaner for less surface contamination and less waste.

Questions to Ask

- ▶ Do you conduct your own Maintenance and Repairs in your facilities?
- ▶ Do you need a tape for quick-fixes?
- ▶ Do you need a waterproof tape to temporarily hold something together?
- ▶ Do you need a strong tape that can be torn by hand from the roll?
- ▶ Do you need a tape to bundle and wrap items?

How Does it Compare to the Competition?

- ▶ Thicker product – provides more protection on demanding applications.*
- ▶ Higher temperature resistance.*
- ▶ Meets Flammability UL 723.*
- ▶ Stronger – requires more force to break it, yet still easy to tear by hand when dispensing.*

Possible Application Ideas

- ▶ Hanging polyethylene drapes for containment activities, industrial masking and sandblast overspray protection.
- ▶ Patching, reinforcing, bundling, moisture proofing, sealing, splicing, temporary repair.
- ▶ Taping and splicing insulation.
- ▶ Useful in the convention industry for holding and seaming carpet padding, taping down cords and hinging poster board panels.
