OUR EXPERTISE

LOCAL EXPERTISE

With over 60 years of industry experience, Gescan has **26 stocking branches** located across Western Canada with **over 275,000 sq. ft of inventory**. We leverage our **multi-channel distribution network** and our powerful logistics to optimize our supply chain, offer competitive prices and deliver innovative solutions. Gescan is a proud member of the Sonepar family, **the largest B-to-B electrical distribution network in the world**. At Gescan, we leverage our strong global resource base, local expertise, and family oriented values to deliver **superior service**. Our digital solutions make us available **where you need us, when you need us; 24/7/365**.

GLOBAL FOOTPRINT

Sonepar's growing international footprint spans **three continents, 44 countries, 170 operating companies and 2,800 branches**. At Sonepar, our 46,000 associates strive daily to invent tomorrow's solutions. Around the world, **we make life easier for our customers** by anticipating and responding swiftly and effectively to their needs. Whatever the nature or size of their business, our goal is to **deliver the solutions best suited to their projects**. And with our global footprint, we aim to be "La Référence" – **the standard-setter in our industry**.
