Compact Pro

LED Round High Bay

- Compact design saves time and money during installation
- Innovative Glare Control lens meets new XXX standards
- Robust 6kV surge protection standard per ANSI standards for Industrial environments
- Operates up to 55°C ambient
- Standard with permanently attached die-cast aluminum hook with safety latch. Patent pending. Also includes 6' safety chain.
- 0-10V dimming driver standard for 10% to 100% dimming capabilities.

The Compact Pro High Bay (CPRB) is a budget-oriented high bay designed specifically with the contractor in mind. Its compact design makes it easier and quicker to install. Compact Pro is built with quality to last and performance to meet the needs of the job, making it the best choice for affordable and reliable light-duty industrial applications like warehouses, gymnasiums, and multiple purpose rooms.
