The grind and glam of Nashville, Tennessee was well-earned. After all, it's known nationally and even worldwide as the "Music City." Serving home to the Grand Ole Opry, the Country Music Hall of Fame and many major record labels, Nashville may trace the moniker back to 1874, when a performance by the Fisk Jubilee Singers for Queen Victoria of England earned her instant admiration and statement: "These young people must surely come from a musical city."

### CAFES

Monkey Business Images/Shutterstock.com

Every fan of country music has heard of the Bluebird cafe — Nashville's iconic and sacred performance space for singer and songwriters.

Being young and hip, Nashville has quickly developed a robust network of third wave coffee joints, with artisanal espresso drinks, trendy specialty coffees and fragrant roasteries. Many cafes are going with the flow of modern life and accommodate laptop warriors, giving them fast internet, outlets and elbow room. But most of all, cafes are cozy feel-good spaces for you to connect with friends and strangers, building a community of like-minded people.

Nashville has quite a few hotel coffee shops, and Moonshot is one of the most popular among them. Highly praised by coffee experts, Moonshot offers classic espresso drinks and creative alternatives such as the Roxy — coffee with orange tonic. ### BARS & NIGHTLIFE

MIGUEL GARCIA SAAVEDRA/Shutterstock.com

No visit to Nashville would be complete without a night in The District — a 20-block area that serves as Nashville's nightlife epicenter. Many of Nashville's famous nightspots are found on Broadway between 1st and 5th avenues. This strip is better known as the Honky Tonk Row. For the uninitiated, a Honky Tonk is an establishment that has at least one live music stage, cold drinks and a party that lasts all day every day.

The more introverted types might like to sip on a craft cocktail at a rooftop bar. There's no wrong way to spend your Nashville nights.

Nashville is trendy but casual, so don't go overboard unless you are feeling it. Wear a pair of jeans, your favourite flannel or plaid shirt,

some boots (not cowboy boots. come on!), a neutral hat, a broken-in leather jacket, and a dress that makes you feel good.

### Legends Corner

Located on top of the Broadway right beside the Ryman theater, the Legends Corner is a classic honky-tonk with dancing and cold beer.

Album covers, posters, photos and signed instruments prove that a lot of the artists have stopped by here. Enjoy a high-energy band that engages the crowd and reasonably priced drinks.

The District is home to the Johnny Cash Museum and the Patsy Cline Museum. The stretch of Broadway from the Ryman Auditorium to the riverfront is known as the Honky Tonk Highway, where the honky tonks stay open until 3am every night and don't charge cover for their live music.

### Post

Sending parcels and letters in the US is a relatively straightforward process. The most common method is through the United States

Postal Service (USPS). The USPS offers a variety of services for sending mail, including First-Class Mail for letters and postcards, Priority Mail for packages, and Priority Mail Express for overnight delivery. To send a parcel or letter, you will need to take it to a USPS post office or use a USPS blue collection box. Use the USPS website to find the nearest post office or collection box to your location. Additionally, you can also use private couriers such as FedEx and UPS, which often provide a wider range of services and faster delivery times, but generally at a higher cost.
