At the same time, it is widely recognized by more and more customers from more than 20 countries.

#### Caoxian Baizhirun Wood Industry Co., Ltd.

**Contact Name** Caoxian Baizhirun Wood Industry Co., Ltd.

**Email** baizhixinwood@163.com

**Website** <https://baizhixinwood.en.alibaba.com>

**Profile** Introduction of Baizhirun Wood Industry Co., Ltd. Baizhirun Wood Industry Co., Ltd. is a prominent enterprise in the wood products industry, committed to providing high - quality and diverse wood - based products. Our Product Range 1. Melamine - faced Particleboard: Our melamine - faced particleboard is made with high - quality wood particles as the core material. The surface is covered with a layer of melamine - impregnated paper, which endows it with excellent properties such as scratch resistance, heat resistance, and easy cleaning. It is widely used in furniture manufacturing, especially for cabinet bodies, wardrobes, and other large - scale furniture components. 2. Melamine - faced MDF (Medium - Density Fiberboard): The melamine - faced MDF we produce features a smooth and flat surface due to the fine - fiber structure of the MDF base. After being laminated with melamine paper, it not only has good decorative effects but also enhanced durability. It is often chosen for high - end furniture, interior wall decoration, and door panels. 3. Melamine - faced Plywood: Combining the strength of plywood with the advantages of melamine decoration, our melamine - faced plywood is suitable for applications that require both high structural strength and aesthetic appearance. It is commonly used in the construction of kitchens, bathrooms, and other areas where moisture resistance and stability are crucial. 4. PET Cabinet Door Panels and Cabinet Body Boards: Our PET - coated cabinet door panels and cabinet body boards offer a modern and sleek look. The PET material has a high - gloss finish, is easy to maintain, and has excellent chemical resistance. These products are designed to meet the needs of contemporary interior design, adding a touch of elegance to any space. At Baizhirun Wood Industry Co., Ltd., we adhere to strict quality control standards throughout the production process. From the selection of raw materials to the final product inspection, every step is carefully monitored to ensure that our customers receive products of the highest quality. We are also committed to continuous innovation and improvement, striving to provide our customers with more excellent products and services.

#### Changzhou BLK Decorative Materials Co., Ltd.

**Contact Name** Changzhou BLK Decorative Materials Co., Ltd.

**Email** blk@blkmaterial.com
