READY GOLF

In stroke play, "Ready Golf" should be played, but in a safe and responsible way. Play when you are ready - you don't have to wait until the farthest away player has played. You will be encouraged by a referee to play "Ready Golf" if your group falls behind.

For example, play Ready Golf:

- When the player farther away has a difficult shot and is assessing options
- When a longer hitter has to wait for a green to clear
- On the tee if the player with the honor is delayed
- By playing your shot before helping to look for a lost ball
- Where possible, advise other players that you are going to play first
