PRESIDENTE

Women in Golf Charter

The Royal Spanish Golf Federation congratulates this initiative and is proud to sign and support the Women in Golf Charter led by the R&A.

We commit ourselves to continue working together with all our National Golf Federations, home clubs, golfers, stakeholders, to increase the number of females playing the game, and to increase the number of women occupying positions/careers within the Golf industry in Spain.

Our activity for the next years will focus on:

- Staging the Solheim Cup 2023 in Spain
- Increasing the Women Board Members of the RSGF
- Increasing the women members of the Committees, specially Course Rating and Rules.
- Enhancing women and family participation in tournament and social activities at the Golf Clubs.
- Making easier to women Elite players the access of being top players through a clear path (amateurs, proSpain team, university, tours)

One of the main objectives of the RFEG in recent years has been to raise the profile of Women in golf in our country, and is proud to have already in place the following:

- 30% of our members are women.
- Commitment with Ladies European Tour: two tournaments in Spain (Ladies Open de España and Mediterranean Ladies Open).
- 2 LETAS tournaments.
- National Women's Circuit: Santander Tour (professionals and amateurs).
- HOLA golf program, on public TV, for 4 years dedicated especially to Women's Golf.
