WOMEN IN GOLF CHARTER

The Uganda Ladies Golf Union is a major beneficiary of the direct efforts initiated by the R&A. Through your support we have seen hundreds of juniors join the game in Uganda.

We are committed and in full support of the Launch of R&A Women in Golf Charter. We pledge to support the program by:

1. Free Golf training for Ladies who qualify through our application process across the country.
2. Free Golf in Schools across Uganda.
3. Lobbying for more female inclusion in club management and high level posts in Golf.
4. Commissioning a Ladies Golf day in all ULGU affiliated clubs across the country.
5. Encouraging more Ladies to join club memberships.
6. Having more Ladies participate in international golf tournaments.
7. Initiating a mentorship program for the Junior girls with the senior Lady members.

We remain committed towards implementing our pledge with 100 students already rec

Evah O. Magala
