HOME INTERNATIONALS

**Alternative Teeing Grounds**

Alternative teeing grounds may be used during the Matches at Machynys on holes 11 & 17.

During practice, championship tee-markers will be positioned at the maximum lengths for men and women, and club tee markers will be positioned at any alternative options.

You may practice from both sets of tees.

Please note areas used to site tee markers on any designated teeing ground may vary throughout the Matches at the discretion of the Committee.
