## Art Maker Watercolour Pencils (Portrait)

Watercolor pencils are high-quality pencils that create a watercolour-paint effect when water is applied. This gives them the special ability to create dreamy compositions with both pencil-drawing and painterly effects. The contemporary twist on this is to add a third medium to the mix: black fineliner pen!

Phenomenal watercolour artist Debbie Lavreys takes the budding artist on a journey across the watercolour-pencil spectrum via seven varied, step-by-step projects – from more a traditional forest landscape to brightly plumaged toucan, to modern-style portraits and a fresh styling of terrariums.

### What's Included

## Brush Marker Lettering and Calligraphy Kit

Calligraphy is a classic style of writing that conjures up images of fountain pens and old block-style fonts. The carefully swirling ink is reminiscent of a bygone era when people took the time to handwrite beautiful letters in flowing script. Now, calligraphy is experiencing a fashionable resurgence as people want to step back and learn the slow art of lettering.

The Brush Marker Lettering & Calligraphy Kit takes everything we know and love about calligraphy into the modern day. Featuring a huge 8 brush markers in the kit, as well as a 48-page instructional book and a 32-page sketchbook that discusses all the tips and tricks to creating stunning, modern calligraphic fonts.
