ART MAKER

Art Maker Brush Marker Calligraphy

Calligraphy is a classic style of writing that conjures up images of fountain pens and old block-style fonts, and days where people took the time to hand-write beautiful letters in flowing script to their loves ones.

The Brush Marker Calligraphy Kit takes everything we know and love about calligraphy into the modern day. Featuring a huge 8 brush markers in the kit, as well as a 48-page instructional book and a 32-page sketchbook that discusses all the tips and tricks to creating stunning, modern calligraphic fonts, this title is the perfect kick-start to the hot trend of brush-marker calligraphy.

What's Included

- eight brush markers
- a knead able eraser
- HB pencil
- 48-page instruction book
- a 32-page sketchbook

Art Maker Ultimate Colouring Kit

Lose yourself in a soothing world of colouring with The Ultimate Colouring Experience. Colouring is the perfect way to relax, unwind and unleash your creativity. Everything you need to doodle,

create and colour is in this kit: a 48-page colouring and doodling book

and 15 artists' colouring fine line markers.

So take a moment to sit and let the thoughts of the day float away while you colour these beautiful scenes.

You'll be glad you did!

Art Maker Acrylic Paints

Learning how to paint with acrylics has never been easier or more enjoyable than with Artmaker: Acrylics Masterclass. This comprehensive kit offers a practical guide and all the artistic tools that you need to start creating dynamic art straight away!

The instructional 48-page book, Acrylics Masterclass, allows you to discover the joys of painting with this versatile medium and to experience how it can be used to great effect in a wide range of painting styles. This handbook includes an extensive introduction to painting materials and equipment; covers essential acrylic-paint concepts, such as tone, scaling, washes, blending, scumbling and more, providing many illustrated examples; as well as expert advice to help build your skills and improve your understanding of this exciting art form. Finally, it offers complete step-by-step guides with colour photographs to striking finished compositions – from the tranquility of fallen leaves to a bustling café scene.

With a white art-canvas to create and display your own masterpiece, a paint palette, four paintbrushes and ten tubes of acrylic paint, this kit contains everything you need to get painting right away.

Art Maker Creative Lettering Masterclass Kit

Bursting with innovative inspiration, Creative Lettering Masterclass will have you illustrating beautiful letters, words and phrases in no time at all! Created in collaboration with professional hand-letterers, this instructional guide includes hand-lettering alphabets, exercises, and fun projects for beginners and experienced letterers alike.

The 64-page instructional book introduces you to all the hand-lettering essentials, including tools, techniques and terminology. Master a range of medieval, vintage and retro alphabets and discover fun lettering projects with step-by-step instructions and practice grids, as well as handy insider tips and tricks. Then, take your lettering to the next level with advanced design and composition ideas!

What's Included

- 64-page instructional book
- 32-page sketchpad
- 6 dual-tipped lettering pens
- mechanical pencil
- eraser shield
- eraser

Art Maker Drawing Fundamentals Kit

Learning to draw has never been easier than with Drawing Fundamentals. Author and artist Priscilla Heywood's message is clear: everyone can draw - it's just a matter of learning the basic skills and techniques that will allow you to take what you see around you and translate it into beautiful artwork on the page.

In the informative 48-page book, Jacqui takes you through all the basics, including equipment, shading techniques, lighting, and achieving a sense of depth and distance. She then moves on to art lessons covering still life, human figures, animals, and landscapes. Whether you are just starting out or want to improve your creative skills, Drawing Fundamentals has everything you need to begin your journey into the amazing world of drawing.

With 10 artists' colour pencils, 10 watercolour pencils, 10 graphite pencils and an artist's sketchbook, this kit has everything you need to get started right away. You'll be creating your own beautiful hand-drawn pictures with ease in no time at all.

What's Included

- 48-page book
- Artists' sketchbook
- 10 artists' colour pencils
- 10 watercolour pencils
- 10 graphite pencils

Art Maker Watercolour Paints

Learning how to paint with watercolour paints has never been easier or more enjoyable with Artmaker: Watercolour Masterclass. This comprehensive kit offers a practical guide and all the artistic tools that you need to begin practising this exciting and evocative art style straight away!

This instructional 48-page book, Watercolour Masterclass, introduces you to the materials, equipment and skills associated with this popular technique. As a budding artist, you will be guided through a range of skills and styles of painting, before being taken step-by-step through stunning watercolour compositions with subjects ranging from a still-life composition to a picturesque canal and a fun scene of people unwinding at the beach.

This kit features everything you need to get painting right away: five sheets of 300 gsm paper, a paint palette, four different paintbrushes and ten tubes of paints. In no time at all, you'll be painting boldly and with confidence, producing interesting and beautiful effects and creating your own unique watercolour artworks that you can proudly put on display.

Ultimate Colouring Experience: Majestic Creatures Kit

Relax and de-stress with a little art therapy! This ultimate adult colouring kit features 18 coloured pencils, 12 metallic coloured pencils and a stunning 48-page illustrated colouring book.

Get inspired by wonderful, intricate images and let your colourful imagination run wild!

What's Included

- 30 pencils - with 12 metallic pencils
- 24 images to colour-in
