Mindfulness is all about being aware of the present moment, and connecting with your senses. You can do it anywhere, or at any time of day, and you don't need any fancy equipment. You simply start by concentrating on your breathing. Take deep, slow breaths. Then, focus on how you are feeling in your mind and body. By doing this, you will stop dwelling on the past and worrying about the future. Throughout this book, there are some great tips for making your everyday life more mindful, which will help you reduce anxiety and feel happier.

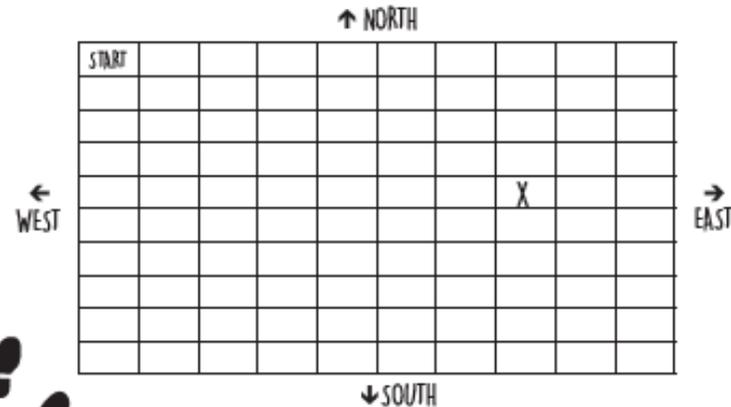

These mindfulness puzzles are a really fun way to let go of stress. As you work through the book, clear your mind and take deep, calming breaths. When you solve a puzzle, celebrate your achievement and tell yourself well done. If you get stuck, don't beat yourself up. The best way to learn is from your mistakes!

Can you solve all 105 puzzles?

Take a deep breath, pick up your pencil, and get started...
