# Create Your Own Polymer Clay Jewellery Box Set (2020 ed)

Polymer clay jewellery is everywhere in the market – and for good reason! It lends itself to versatile styles, shapes and colours. It is also simple and fast to work with and doesn't require expensive and hard-to-access ceramic equipment – just an oven.

In this kit, polymer clay artist extraordinaire Nadine Sharpe places the power of creating simple but sublime jewellery in your hands. Nadine will take the creator step-by-step through creating 7 stunning pieces of jewellery, including 2 pairs of gorgeous earrings (1 with tassels, 1 with gold-foil flecks) that you can make with just components in this kit and household tools. From cute flower-petal rings to

## Key Features:

- This amazing kit includes a 24-page instructional and inspirational book, 5 packets of polymer clay, 1 polymer clay mould/circle cutter, 1 polymer clay roller, 2 black tassels, 1 sheet of gold-leaf foil, 4 head pins, 10 jump rings, and 1 necklace cord.
- You can check out the artist's Instagram here: <https://www.instagram.com/ownsweettime/>
- This appears to be the only comprehensive combined polymer-clay book and kit that is on the market! It is also at the highest, just-have quality.
- Polymer clay is a huge trend!

INSIDE!

# Crystal Craft: Dark Fairy (small)

Spend a relaxing afternoon creating a beautiful piece of art with dazzling results with the Crystal Craft series.

Easy to create and highly rewarding, this mesmerising art is a soothing mix of painting by numbers, cross-stitch and mosaics, perfect for anyone who wants to get creative but is a little intimidated by the expanse of a blank canvas or page.

This magnificent dark fairy image will help the hours melt away as the crystals are applied, one-by-one, onto the canvas with the stylus and special wax included, to create a twinkling scene of shimmering perfection.

## Key Features:

- This kit is a cut-above others on the market, with a self-adhesive canvas on board (with a peel-back cover and no fold lines, unlike other products), thousands of crystal gems and a gem applicator with wax.
- This easy, effective and accessible craft is a delightfully mindful activity that looks amazing, and its addictive popularity is evidenced by a growing online presence and community.
- Designed for easy use, it includes clear, photographic instructions.
- There are over 40 titles in the Crystal Craft series, including canvases of varying sizes and gift cards!
