Mayor's Message

For many years, Sunshine Coast Council has worked with residents and community partners to make our Sunshine Coast a better place for everyone who lives, works and visits our region.

The Maleny Town Centre Access Map is an easy-to-use guide to accessible facilities within the Maleny town centre. This map identifies accessible paths of travel throughout the town and includes information about accessible parking areas, public toilets and other accessible amenities for people with a disability.

There are also Access Maps available for the town centres of Mooloolaba, Maroochydore, Caloundra and Nambour which you may find helpful.

On behalf of council, I gratefully acknowledge the contribution of the Sunshine Coast Access Advisory Network (SCAN) and members of Sunshine 60 and Better across the region who have kindly assisted in the development of this Access Map. I know this Access Map will be a valuable tool to help people gain easy access to the Maleny Town Centre.

Sunshine Coast Council is proud of our efforts to increase accessibility throughout the region and we will continue to work towards a more accessible Sunshine Coast for all.

Mayor Mark Jamieson
