“Now, nearly all of our work is automated, which saves us valuable time and reduces our risks for human mistakes.”

Chiara Guglielmetti, FP&A Manager

ANAPLAN FOR FINANCE

Automated, sustainable forecasting and consolidation

CHALLENGES

- Hyper-growth made financial planning difficult
- Multiple spreadsheets used in consolidations created unsustainable processes

RESULTS

- 50+ error-prone spreadsheets removed from FP&A process
- Automation delivers quicker, more accurate forecasting and consolidation
- Unconstrained planning capabilities
