

Joya™

Kimball Hospitality
living

Works Well With Others.

Active work areas deserve a chair that blends right in. With modern aesthetics in multiple base, frame, arm, and material options, Joya seating is a comfortable complement to any open plan setting.

Casual Comfort

Away from a desk or meeting room, Joya is just as enjoyable. Casters turn the side chair mobile, while the stool finds a home at high tables or along a café bar.

Statement of Line
