NASH PRODUCT SPECIFICATIONS

FRAME CONSTRUCTION

- Steam-bent frame is constructed of kiln-dried European beech to support the body's curves
- Joints are securely fastened with mortise and tenon joinery or double-doweled construction to ensure long-term use
- Clean out is standard to make cleaning easy and simple

SEAT CONSTRUCTION

- Seat rails are reinforced with wood corner blocks and cleats attached with glued and wood screws
- Seat suspension is constructed of $\frac{3}{32}$ " thick molded plywood that is machined to form an open perimeter
- Unidirectional webbing is machine-stretched across the open perimeter and stapled to the edges to form a secure suspension
- Seat assembly is attached with wood screws to wood cleats on the frame
- Seat cushion is made of $1\frac{1}{4}$ " thin-profile, high resiliency, CFC-free foam for maximum comfort and durability
- Seat upholstery is wrapped over the seat cushion and secured to the seat suspension with upholstery staples

LEGS

- Wall saver legs flare slightly so they contact the baseboard first, saving the wall's finish

FOOT RAIL

- Brushed aluminum foot rail protector is standard on front rails of bar stools

GLIDES

- Nylon glides are $\frac{7}{8}$ " in diameter

CONTRASTING UPHOLSTERY

- Contrasting upholstery is available on backs and seats

SURFACE MATERIALS

See the Kimball Hospitality Surface Materials Reference Guide at kimballhospitality.com for a complete overview of our materials program, including:

- Characteristics of wood
- Special wood finishes
- Customer specified laminate (CSL)
- Customer specified paint (CSP)
- Fabric application and colorways
- Customer's own material (COM) process overview
- Alliance program

ALLIANCE FABRIC PROGRAM

Kimball Hospitality has analyzed each model to most accurately reflect the COM/COL yardage requirements shown on page 474.

The yardage requirement for each model is based on 54" wide fabric and cutting the fabric up the roll.

If repeat is larger than 18", contact Customer Service to confirm the correct amount of yardage required. When ordering 10 or more chairs in the same COM, yardage requirements may be reduced.

Contact Customer Service.

PRICE GRADES A-R

See Surface Materials at www.kimballhospitality.com for a wide variety of graded-in fabrics from Arc-Com, Carnegie, CF Stinson, Designtex, Maharam, Mayer, Momentum, and Ultrafabrics.
