

Transitional arrangements 2016-2017 third year courses IBA curriculum

In September 2014 a new curriculum for the Bachelor's programme International Business Administration was launched. The new third year programme will start in September 2016. Therefore, the third year courses from the old curriculum will not be taught anymore. The Faculty Board has, in accordance with the Exam regulations and in consultation with the Programme Directors, Examination Board and the Joint Meeting, made these transitional arrangements for students who did not pass one or more courses from the old third year curriculum. The arrangements consists of 2 parts, part 1 for the compulsory courses and part 2 for the entre requirements for the FEWEB Masterprogrammes.

General Information

1. These transitional arrangements apply only to the compulsory third-year courses of the old Bachelor's programme International Business Administration and are valid only in the academic year 2016 – 2017.
2. For all compulsory third-year courses that are part of the old curriculum and assessed by means of a written exam, two exam opportunities will be offered in the year 2016 – 2017. The first opportunity will be organized in the period the course was originally taught in the old programme. The second opportunity will be in the same period the resit of the course was offered.
3. Compulsory third-year courses from the old curriculum assessed by means of a formal assignment can be completed in the year 2016 – 2017 by handing in a new assignment.
4. The validity of constituent results for courses that form part of the compulsory old third-year Bachelor's programme and were obtained in the year 2015 – 2016 will be extended to August 31, 2017.

Part 1 Transitional arrangements compulsory courses

Period	Course 3 rd year	Transitional Arrangement	First opportunity	Second opportunity
4	Advanced Business Research Methods	Extra exams	Period 4 week 7	Period 5 week 7
	Social Network Analysis	Extra exams	Period 4 week 7	Period 5 week 7
5	Philosophy II*	Extra exams	Period 5 week 7	Period 6 week 5
	Professional Skills	Extra assignments	Period 5	
	Thesis**			
6	Thesis			

* In your 2nd year you also have to pass philosophy I. In the table below you can find what to do in case you passed one of these courses or failed both:

Failed philosophy I 2.6	Passed Philosophy II 3.5	Follow the new course Ethics (E_IBA3_ETH) of 6 ects
Failed Philosophy I 2.6	Failed Philosophy II 3.5	Follow the new course Ethics (E_IBA3_ETH) of 6 ects
Passed Philosophy I 2.6	Failed Philosophy II 3.5	Take the extra resit in period 5

		for Philosophy II 3.5
--	--	-----------------------

**There are 2 possibilities to write the thesis in 2016 – 2017: Period 2 & 3 or Period 5 & 6.

Students who meet the entry requirements can choose which period to write the thesis. Students who fail to meet the entry requirements in 2016 – 2017 will have to write their thesis in 2017 – 2018. Please note that from that academic year onwards it is only possible to write a bachelor's thesis for 12 EC.

Part 2 Entry requirements masters:

The entry requirements for the masters don't change in 2016 – 2017 for student who started their bachelors before 2013. In 2017 – 2018 you will have to meet the new entry requirements, you can find the new entry requirements in the study guide 2016 – 2017. In the table below you can find the old entry requirements and the way you can meet them in Academic year 2016 – 2017.

Master	Entry requirements old curriculum	Transitional arrangements
MSc Accounting & Control¹	Financial Accounting 3.1 (NL) Management Accounting & Control 3.1 (NL) Financial Statement Analysis 3.5 (NL)	Extra exam or new course Financial Accounting (E_EBE2_FAC) (NL) ² Extra exam or new course Management Accounting (E_EBE2_MANAC) (NL) Extra exam (NL)
MSc Business Administration	To prepare for any of the six specializations of the Master's programme in Business Administration you should spend 12 EC on third-year courses in the field of any of the following. They can be taken either at the faculty or abroad. Bear in mind that these courses should be third-year courses or, when taken elsewhere, of equivalent level. This is usually indicated the term intermediate level somewhere in the title of, for instance, textbooks. MPhil (2 year researchmaster)	- Good results - Interested in scientific research	- Good results - Interested in scientific research

¹Students wishing to enter the post graduate programme Accountancy without deficiencies can also follow the courses: Accounting Information Systems, Boekhouden (bookkeeping) and Belastingrecht (Tax Law). In the new curriculum this will be the courses Accounting Information Systems E_EBE3_ACIS period 4 year 3, Accounting & IT Systems I & II E_EBE3_AIT1 period 1 and 2 and E_EBE3_AIT2, Tax and Organizations E_EBE3_TO period 3 (the last 3 courses are part of the [minor Accounting, Organizations and Society](#))

Knowledge of Accounting Information Systems is a prerequisite for the master's course Control and Audit. The elective course Corporate Finance 3.2 or Corporate Financial Management 3.4 is compulsory for the master's course Advanced Corporate Finance for Accounting and Control 4.2 (part of the MSc Accounting and Control, specialization Controlling).

Fluency in Dutch is required for the post graduate programme.

²*(NL) Means that the language of instruction is Dutch. If you want to meet the entry requirements for a master and don't speak Dutch you can find the new entry requirements in the study guide 2016 – 2017 with the English taught courses.*

³*IBA students can only attend tutorials Marketing (English), Corporate Finance (Dutch), Macroeconomics and Microeconomics (both Dutch). In the latter two cases, students must also have followed the preparatory course Macroeconomics or Microeconomics respectively. For the tutorial Accounting you should have completed the third-year course Management Accounting and Control or Financial Accounting.*

⁴*Research Methods in General and Financial Economics (methoden en technieken AE/FE) may replace the course Advanced Business Research Methods.*

For questions please contact the [academic advisors](#).

Adopted by the Faculty Board and endorsed by Joint Meeting on 24 May 2016
