

Transitional arrangements master Spatial, Transport, and Environmental Economics 2018-2019 due to curriculum changes

Introduction

Underneath the transitional arrangements related to curriculum changes during the past years. The transitional arrangements are relevant for senior students that have to fulfill an earlier curriculum. The overview concerns curriculum changes per 2018-2019, plus curriculum changes from earlier years.

Note: If a specific course from an old curriculum has successfully been passed, you are not allowed to attend the replacing course.

Transitional arrangements due to curriculum changes 2018-2019

No transitional arrangements are applicable.

Transitional Arrangements MSc Spatial, Transport & Environmental Economics

In September 2017 the curriculum of the MSc Spatial, Transport & Environmental Economics has partly changed. The SBE Board has, in accordance with the Exam regulations and in consultation with the Programme Directors, Examination Board and the Joint Meeting, made these transitional arrangements for students who did not pass one or more courses from the list below and started their master in September 2016 or before that date.

| Period | Course | Transitional Arrangement |
|------------------|---|---|
| 1 | Advanced Methods for Applied Spatial Economic Research | Follow the replacing course Applied Econometrics for Urban, Transport and Environmental Economics |
| | Microeconomics for Spatial Policy | Follow the replacing course Microeconomics for Urban, Transport and Environmental Economics |
| Optional Courses | <p>Optional courses: Choose 4 courses of 6 EC each. Choose at least 2 of 3 core courses, and in addition 1 or 2 optional courses.</p> <p>Core courses:</p> <ul style="list-style-type: none"> - Regional and Urban Economics (period 2) - Transport Economics (changes form period 4 to period 2) - Environmental Economics (changes form period 2 to period 4) <p>Optional courses (choose 1 or 2 from this list):</p> <ul style="list-style-type: none"> - Geographical Information Systems (period 2) - Economics of Climate Change (changes from period 4 to period 2) - Empirical Transport Economics (if you passed Applied Transport Economics you cannot take this elective, period 4) - Urban Economic Challenges and Policies (if you passed Applied Spatial Economics you cannot take this elective, period 4) <p>Optional courses (maximum 1 from this list):</p> <ul style="list-style-type: none"> - Network Analysis (period 2) - Airline Business (period 4) - Real Estate Management (period 5) | |

If you have any questions about this arrangements please contact the Academic Advisors via [VUnet](#).

Adopted by the SBE Board on 27 June 2017 and endorsed by Joint Meeting on 6 July 2017
