

# New registration and deregistration rules

Signing in and signing out on courses and exams will be easier. From now on:

You are automatically signed up for the exam if you sign up for a course at the VU.

You are automatically registered for the resit if you did not pass the exam for a course at the VU.

You can withdraw from a course up until the first week of classes.

You will receive updates on your VU email about signing in and signing out to avoid a No Show result.

## New registration and deregistration deadlines

The registration and cancellation deadlines for courses and (re)exams have been changed and can be found on [VUweb](#).

## More information

Read all about the new registration regulations and information on registration and deregistration on [VUweb](#).

*The above does not apply if your course entry and result registration do not take place via the VU*
