

## Transitional arrangements due to curriculum changes 2020-2021 SBE Bachelor programmes

Version: 01-09-2020

These are the transitional arrangements related to curriculum changes. The transitional arrangements are relevant for senior students that have to fulfill an earlier curriculum. The overview concerns curriculum changes per 2020-2021. For previous curriculum changes, take a look at VUnet (<https://vunet.login.vu.nl/services/pages/practicalinformation.aspx?cid=tcm%3a165-451294-16>).

Note: If a specific course from an old curriculum has successfully been passed, you are not allowed to attend the replacing course.

Concerning courses from 2019-2020, that are no longer offered in 2020-2021, transitional arrangements apply:

- Courses that are not offered anymore: one extra exam will be offered, provided you have actually participated in the course during 2019-2020. If you fail this extra exam, or if you do not make use of this opportunity, you can follow the replacing course.
- Concerning courses with a name change: you can follow the course with the new name (provided that you have not passed the original course yet).
