

**Development interview as part of the assessment of the Research Master's Programme
Social Psychology (SP)**

Date: May 20, 2021

Present at the meeting:

- Programme director and lecturer of the RM SP
- Chair and member of the assessment committee
- Process consultant from assessment office De Onderzoekerij
- Policy maker and director of education FGB

The conclusions of the constructive meeting are:

- The programme will try to organize meetings with alumni who have a career outside of academia
- Soft skills that are already part of the programme could be made more explicit in the learning outcomes and in exams.
- The existing procedures/guidelines with respect to the independency of the second assessor and discrepancies between both assessors will be discussed and adjusted where necessary.
