

**Development interview as part of the assessment of the Research Master's Programme  
Clinical and Developmental Psychopathology (CDP)**

*Date: May 12, 2021*

*Present at the meeting:*

- Programme director and coordinator of the RM CDP
- Chair and member of the assessment committee
- Process consultant from assessment office De Onderzoekerij
- Policy maker and director of education FGB

The conclusions of the constructive meeting are:

- Soft skills that are already part of the programme could be made more explicit in the learning outcomes and in exams.
- The existing procedures/guidelines with respect to the independency of the second assessor, discrepancies between both assessors, grading soft skills, the way of giving feedback and the lay-out of the thesis will be discussed and adjusted where necessary.
