The screenshot shows the VU Timetable Website interface. At the top left is the VU logo and 'VRUJE UNIVERSITEIT AMSTERDAM'. The top right contains navigation links: 'VU.net | Mobiel | Overzichtsweggeve | Berichten | English | Instellingen | Help | Inloggen'. Below the header, there are tabs for 'Dag', 'Week', 'Maand', and 'Lijst', with 'Week' selected. The main area displays a weekly timetable for 'week 47' from 'maandag 20 november 2017' to 'zondag 26 november 2017'. The timetable is organized by days (ma, di, wo, do, vr) and time slots (8:00 to 17:00). Courses are listed in colored blocks, such as 'Sociale veiligheid en veerkracht (WG)' on Wednesday at 11:00-12:45 and 'Dynamiek van internationaal besturen (HC)' on Friday at 10:00-12:45. On the right side, there is a 'Rooster toevoegen' section with a list of courses and checkboxes. A calendar for 'nov. 2017' is visible at the bottom right. Three callout boxes on the right side point to specific icons: the top one points to the download icon, the middle one to the sync icon, and the bottom one to the menu icon.
