The screenshot shows the VU timetable website interface. At the top right, there is a navigation bar with links: VUnet | Mobiel | Overzichtswaargave | Berichten | English | Instellingen | Help | Inloggen. Below this, there are tabs for 'Dag', 'Week', 'Maand', and 'Lijst'. The main content area displays a weekly timetable for week 47, from Monday 20 November 2017 to Sunday 26 November 2017. The timetable is organized by day (ma 20 nov., di 21 nov., wo 22 nov., do 23 nov., vr 24 nov.) and time slots (8:00, 9:00, 10:00, 11:00, 12:00, 13:00, 14:00, 15:00, 16:00, 17:00). Several courses are listed, including 'Dynamiek van internationaal besturen (HC)', 'Sociale veiligheid en veerkracht (WG)', and 'Interbestuurlijke betrekkingen (WG)'. On the right side, there is a list of courses with checkboxes, such as 'Beleid en besluitvorming (FSW)', 'Beleid en management (FSW)', and 'Conflict and Peace Building (FSW)'. A calendar for November 2017 is visible at the bottom right, with the 23rd highlighted. Annotations include a blue box labeled '+ Add timetable' pointing to the 'Rooster toevoegen' button, and three blue boxes with icons (download, refresh, and a third icon) pointing to the corresponding buttons on the right side of the interface.
