

# Transitional arrangements master Economics 2018-2019 due to curriculum changes

## Introduction

Underneath the transitional arrangements related to curriculum changes during the past years. The transitional arrangements are relevant for senior students that have to fulfill an earlier curriculum.

**Note:** If a specific course from an old curriculum has successfully been passed, you are not allowed to attend the replacing course.

## Transitional arrangements due to curriculum changes 2018-2019

Concerning courses from 2017-2018, that are no longer offered in 2018-2019, transitional arrangements apply:

- Courses that are not offered anymore, one extra exam will be offered, provided you have actually participated in the course during 2017-2018. If you fail this extra exam, or if you do not make use of this opportunity, you can follow the replacing course.
- Concerning courses with a name change, you can follow the course with the new name (provided that you have not passed the original course yet).
