

Transitional arrangements master Business Administration 2018-2019 due to curriculum changes

Introduction

Underneath the transitional arrangements related to curriculum changes during the past years. The transitional arrangements are relevant for senior students that have to fulfill an earlier curriculum. The overview concerns curriculum changes per 2018-2019, plus curriculum changes from earlier years.

Note: If a specific course from an old curriculum has successfully been passed, you are not allowed to attend the replacing course.

Transitional arrangements due to curriculum changes 2018-2019

Concerning courses from 2017-2018, that are no longer offered in 2018-2019, transitional arrangements apply:

- Courses that are not offered anymore, one extra exam will be offered, provided you have actually participated in the course during 2017-2018. If you fail this extra exam, or if you do not make use of this opportunity, you can follow the replacing course.
- Concerning courses with a name change, you can follow the course with the new name (provided that you have not passed the original course yet).
