

Transitional arrangements Accounting and Control (full time) 2018-2019 due to curriculum changes

Introduction

Underneath the transitional arrangements related to curriculum changes during the past years. The transitional arrangements are relevant for senior students that have to fulfill an earlier curriculum. The overview concerns curriculum changes per 2018-2019, plus curriculum changes from earlier years.

Note: If a specific course from an old curriculum has successfully been passed, you are not allowed to attend the replacing course.

Transitional arrangements due to curriculum changes 2018-2019

Concerning courses from 2017-2018, that are no longer offered in 2018-2019, transitional arrangements apply:

- Courses that are not offered anymore, one extra exam will be offered, provided you have actually participated in the course during 2017-2018. If you fail this extra exam, or if you do not make use of this opportunity, you can follow the replacing course.
- Concerning courses with a name change, you can follow the course with the new name (provided that you have not passed the original course yet).

Transitional Arrangements MSc Accounting and Control

In September 2017 the curriculum of the MSc Accounting and Control has changed. The SBE Board has, in accordance with the Exam regulations and in consultation with the Programme Directors, Examination Board and the Joint Meeting, made these transitional arrangements for students who started their master in 2016 or before:

1. Corporate Governance, Risk Management and Control: This mandatory course will no longer be offered and will not be replaced by another mandatory course. Instead, the number of electives required to complete the programme will increase from two to three. Students who have not successfully completed Corporate Governance, Risk Management and Control can choose any of the other electives offered in the programme, including a new elective Information Risk Management offered in period 5.
2. The elective Information Risk Management cannot be chosen by students who have passed the course Corporate Governance, Risk Management and Control.

If you have any questions about these arrangements please contact the Academic Advisors: [VU.net](#).
