EAL Festive Offer – Terms & Conditions

- If your centre already receives a discount, the total combined discount—including this campaign—cannot exceed 20%.
- Existing centres – the campaign offer is available to all centres that are formally recognised to offer EAL qualifications.
- To approve qualifications in a timely manner, centres must ensure they have the appropriate resources in place to deliver the qualification, along with occupational staff possessing the necessary technical experience. This information should be recorded in Smarter Touch to support their application.
- To ensure you can access this discount deal, please engage with the Sales team at least one week before the end of the campaign (31st March 2026), allowing us sufficient time to complete all process steps and enable you to make registrations before the end of March 2026.

If you'd like to speak to discuss this offer in more detail, or for any other enquiries, please contact our Customer Experience Team, Monday to Friday – 8:00am to 5:00pm at +44 (0)1923 652400, or email customer.experience@eal.org.uk.
