5. Nomination of beneficiary/ies

You may make a Non-binding nomination via MemberAccess.

All members of legalsuper may make a death benefit nomination. The Trustee will consider the most recent valid nomination that you have with legalsuper.

You may elect to make either a Binding or Non-binding nomination of beneficiary/ies to whom your accrued legalsuper entitlements (including any insurance proceeds) will be paid in the event of your death.

Please note that a death benefit nomination only applies to the particular legalsuper account that you specify that nomination for and the most recent valid nomination will apply only to that particular account.

The most recent valid Non-binding nomination will replace any previous Non-binding nomination for that particular account, whilst the most recent valid Binding nomination will replace any previous Binding or Non-binding nomination for that particular account.

A valid Non-binding nomination of preferred dependants is not binding on the Trustee, but will assist the Trustee in exercising its discretion. The Trustee will determine what proportion of your entitlements goes to one or more of your dependants or your legal personal representative (estate) on your death. Unless the Trustee decides to pay the benefits to your legal personal representative, your entitlements will not form part of your estate and will therefore not be subject to the terms of your Will.

A valid Binding nomination of dependant(s) or legal personal representative (estate) will bind the Trustee to pay your entitlements on your death exactly as you specify. Your nomination will only be valid and binding if it is made in accordance with the relevant requirements. One of these requirements is that you sign the declaration in this Section and have two persons over 18 years of age witness the declaration in your presence.

legalsuper does not accept any Binding nomination made under any form of Power of Attorney.

You are able to nominate both individual beneficiaries and a legal personal representative (estate).

'Dependant' is defined as:

- the spouse of the person, any child of the person and any person with whom the person has an interdependency relationship at the relevant time (being in the case of a deceased person the date of their death); and
- any other person who in the opinion of the Trustee is at the relevant time (being in the case of a deceased person the date of their death) wholly or partially dependent on the person.

Interdependency

Two persons have an interdependency relationship if:

- (a) they have a close personal relationship;
- (b) they live together;
- (c) one or each of them provides the other with financial support; and
- (d) one or each of them provides the other with domestic support and personal care.

Two people have an interdependency if they have a close personal relationship but do not satisfy the other requirements of an interdependency relationship because either or both of them suffer from physical, intellectual or psychiatric disability.

If you wish to make a Binding Nomination, you must submit this form with original signatures.

Please nominate the type of beneficiary option you wish to be implemented in the event of your death. (Please select one option).

OPTION 1 – Lump sum to be paid to your nominated beneficiary/ies (this includes your legal personal representative (estate))

Please provide names of your preferred beneficiary/ies in the event of your death. You can photocopy this page of the form if you have more than four beneficiary nominations. **Benefit allocations can only be up to 2 decimal places and must add up to 100%.**
