

Notice of Annual Members' Meeting

I am pleased to invite you to our next Annual Members' Meeting on 29 November 2021.

At the meeting members will hear from Kirsten Mander (Chair of the Board), Andrew Proebstl (Chief Executive) and Norman Zhang (Chief Investment Officer) about legalsuper's performance and other developments for the last financial year, along with an update since year end.

During 2020/21 we increased by more than 50% the number of direct interactions we had with individual members and employers to provide information, support and resources to deal with challenges arising from COVID-19.

We welcome this increased engagement with members. The Annual Members' Meeting affords a further opportunity for engagement and to ask questions of the Board and Management, by submitting them prior to or during the meeting.

Due to COVID-19, the meeting will be held exclusively online. There is no opportunity to attend in person.
