Joint recall with Health Canada, the United States Consumer Product Safety Commission (US CPSC), and Victory Innovations.

Affected products

Victory and Protexus Lithium-ion Battery Packs for Electrostatic Sprayers

Product description

This recall involves Victory Innovations and Protexus-branded cordless handheld and backpack electrostatic sprayers used to disinfect surfaces. They come with a nozzle, nozzle wrench, tank, lithium-ion battery pack and a battery pack charger. The Victory Innovations cordless sprayers have a green and white exterior. The Victory Innovations logo appears on the front or the side of the green and white sprayers and model VP-20A or VP-20B appears on the battery pack. The Protexus logo appears on the front or the side of the black and white sprayers and model PX20A or PX20B appears on the battery back. Battery packs on recalled units have visible screw heads and a case with no parting lines.

Affected model numbers and descriptions:

Victory Brand:

- VP-20A - Professional 16.8 Volt Battery 3400 mAh

- VP-20B - Professional 16.8 Volt Battery 6800 mAh

Protexus Brand:

- PX20A - Professional 16.8 Volt Battery 3400 mAh
- PX20B - Professional 16.8 Volt Battery 6800 mAh

Hazard identified

The sprayer's rechargeable lithium-ion battery pack can overheat and melt, posing a risk of the product catching fire and/or exploding.

As of January 13, 2021 the company has received 3 reports of incidents in Canada with no report of injuries. In the United States, the company received 37 reports of incidents, and 9 reports of property damage.

Number sold

The company reported that 27,000 units of the affected product were sold in Canada and 405,000 were sold in the United States.

Time period sold

The affected products were sold from January 2016 to November 2020.

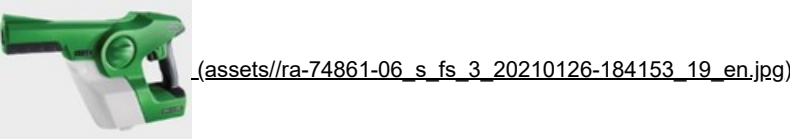

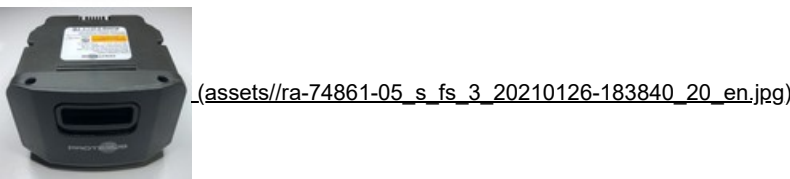

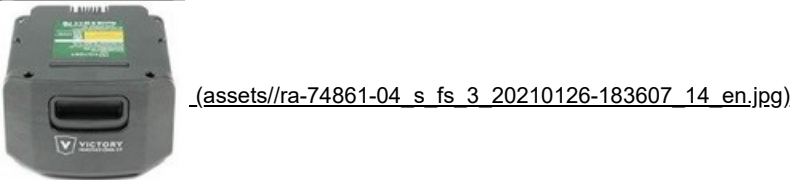

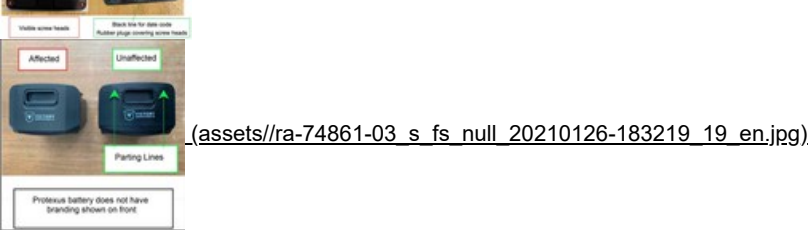

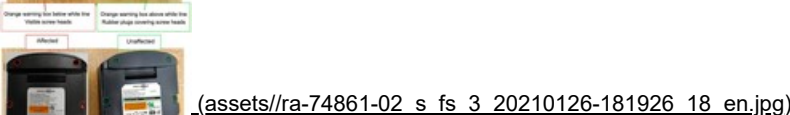

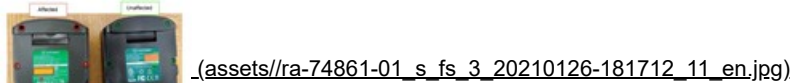

Place of origin

Manufactured in China
