*This chart is a guide only. Actual result and sizing will vary depending on individual physiological dimensions and or product materials / manufacturing processes.

For proper sizing, place bottom of palm on green dotted line.

Note: This chart is intended to aid with length of glove for proper fit on the fingers, not for width of the palm. It is an estimate only and cannot account for individual preferences. For accurate sizing, chart needs to be printed at 100%. Please verify printout is to scale: the line to the right should measure 1" long.
