Carrying Cases & Holsters

C10 Yellow Holster With Flex-Stand (For Fluke 18)

Snap-on holster for Fluke 18. Absorbs shocks and protects the meter from rough handling. Built-in stand and hanger-loop allow meter positioning. Molded hanger-loop can also function as stationary probe holder, allowing one-handed operation and contact of test points.

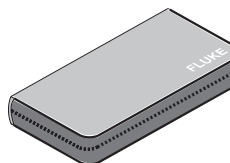

C70Y Yellow Holster With Flex-Stand (For 51/52, 73III, 78)

Easy-to-clean, vinyl snap-on holster absorbs shocks and protects meter. Unique Flex-Stand™ allows meter to hang, lean or stand for best viewing position. Lead/probe storage on back. Fluke 78 DMM and 50 Series thermometers. Included with 78.

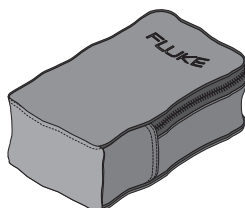

C12A Soft Case (For Fluke 18)

Soft sided, zippered, vinyl carrying case for Fluke 18. Inside pockets are designed to carry a meter, manual, and test leads. Convenient 3" (76 mm) belt loop accommodates tool belts.

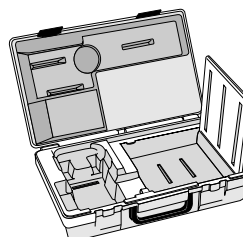

C75 Zippered Soft Case (For accessories and test leads)

Vinyl carrying case with two inside pockets. Designed to carry test leads, test probes or clips. Will not accommodate large probes or AC83 Test Clips.

C25 Soft Case (For use with 83III, 87III, 88)

Large vinyl soft case with water resistant zipper and one inside pocket for test leads or small accessories. Convenient 3" (76 mm) belt loop accommodates tool belts. For Fluke 23, 73, 77, 78, 51 or 52 in C70 Holster; or 83III, 87III or 88 in C81 Holster.

C800 Universal Hard Carrying Case (Any DMM)

Smaller than C100. Double seal latches resist popping open if case is dropped. Includes compartments for holding accessories and manuals. Detachable lid for easy storage. Designed for 80 Series meters in holsters. 73, 77, 78, 23, 51 and 52 in holsters will fit loosely.

C50 Soft Carrying Case (For 51, 52, 73III, 78 w/o holster)

Vinyl case with snap-on belt loop. Holds meter, manual, and leads ready for testing. For 51, 52, 73III, 78 without holster. (Use C25 or C90 when using meter with holster.)

C81Y Yellow Holster With Flex-Stand (For 83III, 87III, 88)

Easy-to-clean, vinyl snap-on holster absorbs shocks and protects meter. Lead and probe storage on back. Unique Flex-Stand™ allows meter to hang, lean or stand in best viewing position. Included with 83III, 87III and 88.
