Keysight easy2source

Introducing the smarter way to get the latest equipment with our rent-to-own program. Source it without capital and with the flexibility to decide later.
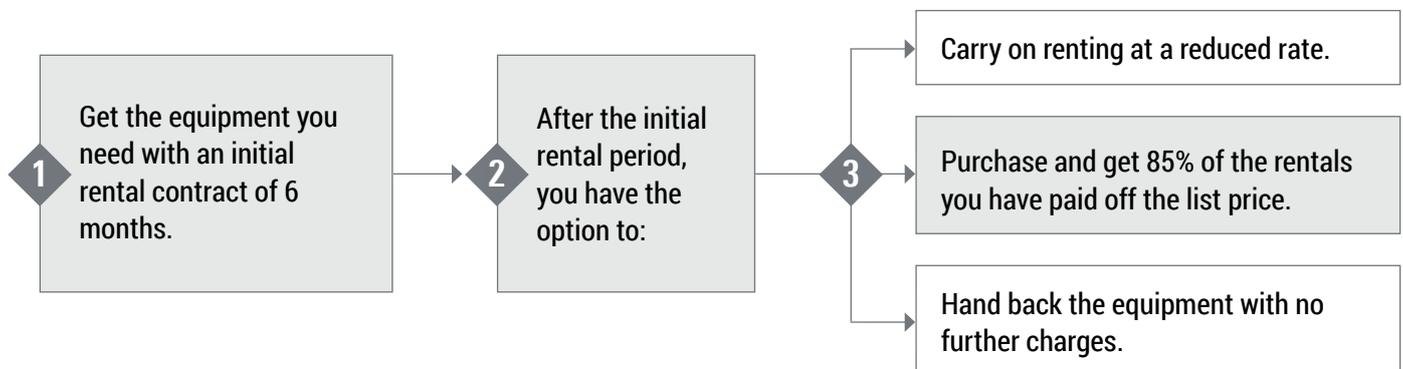

Need equipment now but don't have CapEx available? Or will approval take several weeks or months? Keysight **easy2source** can help you bridge the gap.

Keysight and Electro Rent have worked together on a new **easy2source** program that allows you to immediately get the equipment you need and decide to purchase, extend or return later at no extra cost. And with **easy2source**, if you decide to buy later, you get 85% of the rentals you have paid off the list price.

Why choose Keysight easy2source

- Get the equipment you need straight away without CapEx spend until needed or available

- Latest technology and new test equipment to keep your project on track

- Future flexibility to turn off the costs if the equipment is no longer needed

- Costs spread over months or even years.

Keysight easy2source - How it works

1	Get the equipment you need with an initial rental contract of 6 months.

2	After the initial rental period, you have the option to:

3	Carry on renting at a reduced rate.
	Purchase and get 85% of the rentals you have paid off the list price.
	Hand back the equipment with no further charges.
