WORKING TOGETHER

TO OFFER YOU MORE OPTIONS

Together Rohde & Schwarz and Electro Rent offer you access to the latest test and measurement inventory through a range of rental and financial solutions.

STRETCH YOUR CAPABILITIES WITHOUT STRETCHING YOUR BUDGET.

We work closely with our partners and customers to help them overcome one of the toughest challenges organisations face right now - accessing the equipment they need to win new business, innovate and grow, whilst managing budgets and conserving CapEx.

Together we provide access to the latest technology by introducing the right finance mix into your inventory procurement, helping you to achieve your goals with maximum efficiency, flexibility and speed.

RENTAL

EASY, FAST, FLEXIBLE EQUIPMENT ACCESS

Offering the ultimate in flexibility, our rental packages allow you to access the latest Rohde and Schwarz equipment in a fast and affordable way.

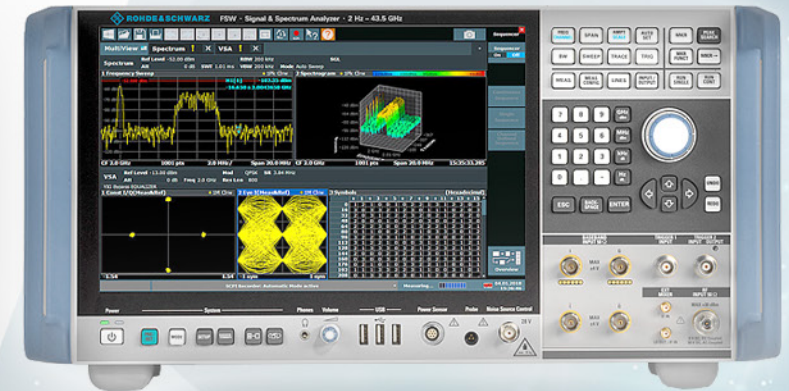

HOW DOES IT WORK?

- Select the product and configuration required.
- Define how long you need the equipment for
– initial terms can be adapted later to suit changing requirements.
- Equipment is shipped to your chosen location, fully calibrated and ready for use.

WHY CHOOSE RENTAL?

Proof of concept, project scale up, demand surge, budget management... there are many factors that could make rental the right option for you, but what you will always receive is:

- Access to inventory in a timescale that suits you.
- Remove maintenance and calibration costs throughout the lifecycle of your hire.
- Ultimate flexibility. Return, change or extend at any time.
