

Managed Healthcare System (MHS)

New membership card

Continuous improvement in serving you has always been the top priority here at NTUC Income. Moving towards our aim of becoming a modern social enterprise of distinction, a new MHS membership card has been designed just for you.

Obtaining your new card

In order to ensure a hassle-free transition, your new MHS membership card will be mailed directly to you along with your endorsement upon your policy renewal with us.

Effective date

You may use your new MHS membership card immediately from 01 Nov 2011. If your policy renewal falls after the effective date, please be assured that your current card will still be accepted at our panel clinics, specialists and hospitals.

Frequently Asked Questions

Q1. What are the changes made to my new MHS membership card?

A1. Your new card will display all existing co-payments that you will need to pay when you visit our medical centres. We have also included the reimbursement limits for visits to our Private Specialists and Hospitals. We would like to assure you that there is no change made to our policy terms and conditions.
