Section A: Faculty section

1. General provisions

Article 1.1 Applicability of the Regulations

1. These Regulations apply to anyone enrolled in the programme, irrespective of the academic year in which the student was first enrolled in the programme. For students who started their studies before September 2017, exceptions are formulated on a number of points.	Advice OLC, approval FGV (9.38 sub b)
2. These Regulations enter into force on 1 September 2023.	Advice OLC, approval FGV (9.38 sub b)
3. An amendment to the Teaching and Examination Regulations is only permitted to concern an academic year already in progress if this does not demonstrably damage the interests of students.	Advice OLC, approval FGV (9.38 sub b)

Article 1.2 Definitions

The following definitions are used in these Regulations:

- a. EC (European Credit): an EC credit with a workload of 28 hours of study;
- b. examination: an assessment of the student's knowledge, understanding and skills relating to a unit of education. The assessment is expressed in terms of a final mark. An examination may consist of one or more partial examinations. A resit always covers the same material as the original examination;
- c. final examination: a bachelor's programme consists of a propaedeutic examination and a bachelor's examination;
- d. semester: the first (September - January) or second half (February - August) of an academic year;
- e. joint degree: a degree awarded by an institution together with one or more institutions in the Netherlands or abroad, after the student has completed a study programme (a degree programme, a major or a specific curriculum within a degree programme) for which the collaborating institutions are jointly responsible;
- f. period: a part of a semester. At the UvA, the term 'block' (blok) is used;
- g. practical exercise: the participation in a practical training or other educational learning activity, aimed at acquiring certain (academic) skills. Examples of practical exercises are:
 - researching and writing a thesis or dissertation
 - carrying out a research assignment
 - taking part in fieldwork or an excursion
 - taking part in another educational learning activity aimed at acquiring specific skills, or
 - participating in and completing a work placement;
- h. programme: the totality and cohesion of the course components, teaching activities/methods, contact hours, testing and examination methods and recommended literature;
- i. thesis: a component comprising research into the literature and/or contributing to scientific research, always resulting in a written report;
- j. SAP/SLcMVU: the Student Information System;
- k. study guide: the guide for the study programme that provides further details of the provisions and other information specific to that programme. The course

	catalogue (or Study Guide) is available online at https://studiegids.vu.nl/en/ and https://studiegids.uva.nl/ ;
l. workload:	the workload of the unit of education to which an examination applies, expressed in terms of credits = EC credits (ECTS = European Credit and Transfer Accumulation System). The workload for 1 year (1,680 hours) is 60 EC credits;
m. student:	the term "student" is intended to be gender-inclusive, since this term has traditionally been applied in regulations and is seen as a professional term;
n. student's charter:	describes the rights and obligations of students on the one hand and of the university on the other, arising from legal and university regulations;
o. academic year:	the period beginning on 1 September and ending on 31 August of the following calendar year;
p. examination:	an assessment of the student's knowledge, understanding and skills relating to a course component. The assessment is expressed in terms of a final mark or symbol. An examination may consist of one or more partial examinations. A resit always covers the same material as the original examination;
q. unit of education:	a unit of study of the programme within the meaning of the WHW;
r. University:	the institution where the student has its main enrolment (VU University Amsterdam or University of Amsterdam);
s. course:	see 'unit of education';
t. WHW:	the Dutch Higher Education and Research Act (<i>Wet op het hoger onderwijs en wetenschappelijk onderzoek</i>);
u. Examination Board:	for students with a first enrolment at the UvA, this is the Examination Board of the bachelor's programmes of the faculty in accordance with article 7.12 of the law; for students with a first enrolment at the VU, this is the Examination Board of the bachelor's programmes of the faculty;
v. propaedeutic year:	the propaedeutic phase of the study programme, as referred to in Article 7.8 of the Higher Education and Scientific Research Act (WHW);
w. post-propaedeutic years:	the phase of the bachelor's programme that follows the propaedeutic phase;
x. minor:	a coherent package of courses offered as such with a combined study load of (usually) 30 EC;
y. rules and guidelines of the examination board:	the regulations of the examination board that are adopted and published; annually by the examination board and which supplement the teaching and examination regulations;
z. course guide:	the manual containing all information relevant to the teaching and testing of the subject. The course manual is available no later than two weeks before the start of the course;
aa. tutor:	a lecturer charged with the task of evaluating the student's academic education and choices with regard to the programme and study progress.

The other terms have the meanings ascribed to them by the WHW.

2. Study programme structure

Article 2.1 Structure of academic year and units of educations

1. The study programme will be offered in a year divided into two semesters.	Ordinance CvB
2. Every semester consists of three consecutive periods of eight, eight and four weeks.	Ordinance CvB
3. An unit of education comprises 6 EC or a multiple thereof.	Ordinance CvB
4. By way of exception to paragraph 3, the Executive Board of the Vrije Universiteit may in special cases, stipulate that a unit of education comprises 3 EC or a multiple thereof.	Ordinance CvB

Article 2.2 Frame study programme

1. The Bachelor programme of ACASA consists in any case of the following components: - A propaedeutic year of 60 EC consisting of disciplinary and interdisciplinary courses. - Two post-propaedeutic years consisting of: 78 EC disciplinary and interdisciplinary courses; - Elective components of at least 30 EC; - A thesis of 12 EC. - Academic education is embedded in courses and philosophy of science. The propaedeutic phase, post-propaedeutic phase and thesis can be understood in terms of VU terminology as the major and the academic core of the programme.	Ordinance CvB
2. In the first year of the programme, the programme will offer at least fourteen contact hours a week.	Ordinance CvB
3. In the second and third years of the programme, the programme will offer at least eight contact hours a week.	Ordinance CvB
4. Internationalization is included as part of the Bachelor's programme and reflected in one or more units of education.	Ordinance CvB

3. Assessment and Examination

Article 3.1 Signing up for education and examinations

1. Every student must sign up to participate in the units of education of the programme, the examinations and resits. The procedure for signing up is described in an annex to the Student Charter.	Ordinance CvB
2. Signing up may only take place in the designated periods.	Ordinance CvB

Article 3.2 Type of examination

1. At the student's or examiner's request, the Examinations Board may permit a different form of examination than that stipulated in the study guide. If applicable, more detailed regulations on this are included in the Rules and Guidelines of the VU Examinations Board.	Advice OLC, Approval FGV (7.13 I)
2. Online surveillance software (proctoring) that contravenes the student's privacy interests cannot be used for online tests.	

Article 3.3 Oral examinations

1. Oral examinations will not be given to more than one student at a time unless otherwise specified in Part B for the particular unit of education.	Advice OLC; approval FGV
--	--------------------------

	(7.13 and n)
2. The Examinations Board may determine that an oral examination will be administered in the presence of a second examiner. If no second examiner is present during the test, a sound recording will be made of the test. In exceptional cases, students may submit a substantiated request to the Examinations Board in order to have a second examiner attend.	

Article 3.4 Determining and announcing results

1. The examiner determines the result of a written examination within ten working days. By way of departure from that stipulated in the first clause, the marking deadline for theses [and final assignments] is no longer than twenty working days. The examiner will then immediately ensure that the marks are registered and also ensures that the student is immediately notified of the mark, taking due account of the applicable confidentiality standards.	Ordinance CvB
2. The examiner determines the result (i.e. mark) of an oral examination within two working days and informs the student accordingly. The third clause of the first paragraph applies.	Advice OLC; approval FGV (7.13 o)
3. In the case of forms of examination other than oral or written examinations, the Examinations Board determines in advance how and by what deadline the student will be informed of the results.	Advice OLC; approval FGV (7.13 o)
4. A student may also submit a request for reassessment to the examiner. A request for reassessment does not affect the time period for lodging an appeal.	Advice OLC; approval FGV (9.38 b)

Article 3.5 Examination opportunities

1. a. Per academic year, two opportunities to take examinations will be offered per unit of education. b. The options for retaking practical components, work placements and theses are detailed in the relevant work placement manual, teaching regulations or graduation regulations.	Ordinance CvB
2. The most recent mark will apply in the event of a resit. A retake is allowed for both passed and failed units of study.	Ordinance CvB
3. In the case of a resit of a written assignment (such as a paper or essay), the following options exist: a. The resit involves improving the graded written assignment. In this case, the examiner may place a maximum on the grade to be obtained; b. The resit involves making (a) new assignment(s). The examiner communicates before the start of the unit of education in the course manual which possibility or possibilities (under which conditions) are applicable.	
4. In the case of a resit of a group assignment, it may be retaken by the entire group or by one or more group members. Only group members who participated in the resit of the group assignment will receive a result for the resit. Students who did not participate in the retake will retain their grade from the first opportunity.	
5. The resit for a (partial) examination must not take place within ten working days of the announcement of the result of the (partial) examination being resit.	Advice OLC; approval FGV (7.13 j)
6. In the case of partial exams and/or written partial assignments, the examiner shall communicate in the course manual before the start of the unit of education how	

partial exams and/or partial assignments will be re-examined. The examiner may set a substitute assignment, taking into account the original learning objective to be tested.	
7. The Examination Board may, upon request, allow a student an extra opportunity to sit an examination if the student: - is lacking only those credits to qualify for their degree, and; - have failed the examination during all the previously offered attempts unless participation in an examination was not possible for compelling reasons. The extra opportunity can only be offered if it concerns a written examination, an oral examination, a paper or a take home examination. This provision excludes the practical exercises and Bachelor's thesis. Requests for an additional examination opportunity must be submitted to the Examination Board not later than 1 July. If necessary, the method of examination may deviate from provisions in the study guide.	Ordinance CvB
8. If a unit of education is no longer offered in the following academic, at least one additional opportunity will be provided to sit the examination(s) or parts thereof and a transitional arrangement will be included in Section B for the subsequent period.	Advice OLC, approval FGV (7.13 j)

Article 3.6 Marks

1. Marks are given on a scale from 1 to 10 with no more than one figure after the decimal point.	Ordinance CvB
2. To pass a unit of education, a final mark of 5,5 or higher is required. Calculated marks between 5.4 and 5.5 are truncated to a 5.4. The remaining calculated marks (between 1 and 5.4 and between 5.5 and 10) are rounded arithmetically.	Ordinance CvB
3. Results not expressed in numbers are referred to as v(oldaan), g(oed), n(iet)v(ol)d(aan), AVV (aan voorwaarden voldaan), etc.	Ordinance CvB
4. In case the student does not sit the examination, or takes part in an alternative form of the final examination, the result 'niet aanwezig met poging' (NAP) (UvA) or 'No Show' (NS) (VU) will be awarded. The NAP annotation will be registered as an examination attempt, but this result will not be recorded on the diploma supplement.	Ordinance CvB

Article 3.7 Exemption

1. At the written request of the student, the Examination Board may exempt the student from taking one or more examination components, if the student: - has passed a course component of a university or higher professional education programme that is equivalent in terms of content and level; - has demonstrated through the students work and/or professional experience that the student has sufficient knowledge and skills with regard to the relevant unit of education.	Advice OLC; approval FGV (7.13 r)
2. In the context of the double FGw Bachelor's programme for UvA students, the UvA student may request an exemption from units of education of programme 2 (maximum of 60 EC), after completing the propaedeutic year of programme 1 and start with the fast-track Bachelor's programme of programme 2, as included in the appendix of Section B. See Article A5.2 for more information about the study advice for programme 2.	Advice OLC; approval FGV

Article 3.8 Validity period for results

1. The validity period of examinations passed and exemption from examinations is unlimited, unless otherwise specified in Section B.	Legal provision
2. The validity period of a partial examination is limited to the academic year in which it was sat or until the end of the unit of education concerned, as stipulated for the relevant unit of education in Section B.	Advice OLC; approval FGV (9.38 sub b)

Article 3.9 Right of inspection and post-examination discussion

1. Within twenty working days after the announcement of the results of a written examination, and at least ten working days before the resit opportunity, of the aforementioned examination takes place, the student can, on request, inspect their assessed work, the questions and assignments set in it, as well as the standards applied for marking. The place and time referred to in the previous clause will in any case be announced on VU.nl Dashboard and/or via Canvas in all cases.	Advice OLC; approval FGV (7.13 p and q)
2. If a collective post-examination discussion has been organized, individual post-examination discussions will be held only if the student has attended the collective discussion or if the student was unable to attend the collective discussion through no fault of their own.	Advice OLC; approval FGV (7.13 q)
3. Students who meet the requirements stipulated in paragraph 2 can submit a request for an individual post-examination discussion to the relevant examiner. The discussion shall take place at a time and location to be determined by the examiner within the regular schedule on campus or online.	Advice OLC; approval FGV

Article 3.10 Thesis evaluation

1. Students are entitled to feedback on the draft version of their bachelor thesis, taking into account what is stated in the thesis regulations.	Advice OLC; approval FGV (7.13 l and n)
---	---

Article 3.11 Fraud and plagiarism

1. The provisions set out in the Fraud and Plagiarism Regulations for UvA Students apply in full.	Advice OLC; approval FGV
2. Electronic detection software will be used to detect plagiarism in texts. In submitting a text, a student implicitly consents to the text being entered in the database of such a detection program.	

4. Honours programme**Article 4.1 Honours programme**

1. VU and UvA offer an honours programme for students who meet the admission requirements. Both honours programmes consist of units of education taken in addition to the standard curriculum, regardless of the institution at which the student is enrolled.	Ordinance CvB
2. a. The honours programme comprises 30 EC, a minimum of 12 EC of which consist of faculty or programme honours components and a minimum of another 12 EC consist of interfaculty honours components. The choices available to the student will be published on the website http://www.vu.nl . b. The Honours Programme of the College of Humanities UvA consists of 30 EC of which 12 EC are interdisciplinary honours courses, 12 EC interdisciplinary research courses or a Research Practicum of 12 EC, and a 6 EC extra weighting of the thesis.	Ordinance CvB
3. For admission to the honours programme of the VU or the honours programme of the CoH UvA, the student must have secured all credits from the first year on August 31 of that year and have been awarded a weighted average mark of at least a 7.5.	Ordinance CvB

4. A student who has met the requirements of the regular Bachelor's programme within the nominal duration of study, who has achieved an average weighted mark of at least 7.5 for all components of the Bachelor's programme (excluded the honours components) and who has also met the requirements of the honours programme will receive a Bachelor diploma with a transcript indicating that the student has successfully completed the honours programme.	Ordinance CvB
5. First-year undergraduate students may participate in honours units in the second semester, provided they have obtained 30 EC in the first semester with at least a weighted average of 7.5. First-year students can only take honours units that are open to first-year students.	

5. Academic student counselling, advice regarding continuation of studies and study progress

Article 5.1 Administration of study progress and academic student counselling

1. The faculty board is responsible for the correct registration of the students' study results. After the assessment of an unit of education has been registered, every student has the right to inspect the result for that component and also has a list of the results achieved at the students disposal in VU.nl dashboard.	Advice OLC; approval FGV (7.13 u)
2. Enrolled students are eligible for academic student counselling. Academic student counselling is provided by: a. The Student Counsellor b. Student psychologists c. Faculty academic advisors.	Advice OLC; approval FGV (7.13 u)

Article 5.2 Advice regarding continuation of studies

1. The faculty board will issue every student on a full-time Bachelor's programme with a recommendation on continuation of their studies, at the end of the first year of study. The recommendation on continuation is issued on behalf of the faculty board by the faculty BSA committee (VU) or the dean (UvA).	Ordinance CvB
2. Prior to 1 March, the student will receive an overview of their results.	Ordinance CvB
3. Students who have not completed enough credits will receive a warning stating that if insufficient improvement in their performance is forthcoming by the end of the academic year, they will be advised not to continue their studies. These students will also be advised to plan a meeting with an academic adviser.	Advice OLC (7.13 f)
4. If the recommendation at the end of the academic year is negative the provisions of Article 5.3 apply.	Advice OLC (7.13 f)
5. A recommendation will not be issued if the student terminates the enrolment before 1 March of the first academic year.	Advice OLC (7.13 f)
6. In the context of a double FGW bachelor's programme for UvA students, the UvA student may apply to the Examinations Board of programme 2 (the fast-track Bachelor's programme) for an exemption from the binding study advice for programme 2. See article A3.7 for more information on exemptions for programme 2.	Advice OLC

Article 5.3 Binding (negative) recommendation on continuation of studies (BSA)

1. The recommendation issued at the end of the academic year will contain a binding rejection if the student has not achieved the standard required for a positive recommendation on continuation of studies. A recommendation on continuation of studies will not be issued if the student demonstrates that they have not been able to	Ordinance CvB
--	---------------

meet the standard due to personal circumstances as described in Article 2.1 of the Higher Education and Research (Implementation) Act (<i>Uitvoeringsbesluit WHW</i>). The standard is defined in Section B.	
2. As soon as possible after the last resits of the second semester of the first year, a student who has not met the standard will be informed that the faculty board intends to issue the student with negative binding recommendation on continuation of studies. The same procedure applies in the next year of enrolment if the student was permitted to continue with the study programme as a result of personal circumstances and has still not successfully met all of the requirements of the first year of study by that time. No recommendation will be issued to the student if the student demonstrates that the student again did not meet the standard as a consequence of personal circumstances.	Ordinance CvB
3. Along with the information referred to in the previous paragraph, the student will also be informed of the possibility of being heard by the BSA committee (VU) or the Examination Board (UvA) and of how they can apply for such a hearing.	Ordinance CvB
4. As soon as possible (no more than ten working days) after the hearing and after the advice of the BSA committee (VU) or Examination Board (UvA) has issued its advice, the faculty board will determine the final BSA.	Ordinance CvB
5. Students may lodge an appeal against a decision on a binding negative recommendation on continuation of studies with the Examination Appeals Board of the student's own university within six weeks of the day of the decision's announcement.	Ordinance CvB
6. Students who receive a binding negative recommendation on continuation of studies may therefore not enrol in the same (or very similar) Bachelor's programme during a subsequent number of academic years. The exact number of academic years and the very similar Bachelor programmes are defined in Section B (section 14.1.2).	Ordinance CvB

Article 5.4 Personal circumstances

1. The faculty board will not include a rejection in the binding recommendation on the continuation of studies in the case of personal circumstances, as described in Article 2.1 of the Higher Education and Research (Implementation) Act, as a result of which the student concerned cannot have been reasonably expected to have met the BSA standard.	Advice OLC (7.13 f)
2. If a circumstance, as described in Article 2.1 of the Higher Education and Research (Implementation) Act, should occur, the student must notify the academic advisor office as soon as possible, providing details of: a. the period in which the circumstance occurs or occurred; b. a description of the circumstance and its seriousness; c. the extent to which the student cannot or could not participate in instruction/classes or an examination. It is the student's responsibility to submit documentary evidence to substantiate their report.	Advice OLC (7.13 m)
3. If required, the academic advisor may advise the BSA Committee (VU) or the Examination Board (UvA) on the extent to which personal circumstances have influenced the student's study progress.	Advice OLC (7.13 f)

Article 5.5 Facilities for students with a disability

1. A student with a disability can submit a request through VU.nl Dashboard (VU) or via the Academic Advisor (UvA) to qualify for one or more special facilities with regard to	Advice OLC; approval FGV
---	--------------------------

teaching, practical exercises and examinations. These facilities will accommodate the student's individual disability as much as possible, but may not alter the quality or degree of difficulty of a unit of education or an examination. In all cases, the student must fulfil the exit qualifications for the study programme.	(7.13 m)
2. The request referred to in the first paragraph must be accompanied by a statement from a doctor or psychologist. If possible, an estimate should be given of the potential impact on the student's study progress. In case of a chronic disability a single (one time) request suffices.	Advice OLC; approval FGV (7.13 m)
3. Students who have been diagnosed with dyslexia must provide a statement from a BIG, NIP or NVO registered professional who is qualified to conduct psychological evaluation.	Advice OLC; approval FGV (7.13 m)
4. The faculty board, or the responsible person on behalf of the faculty board, decides on teaching facilities and facilities regarding logistics. The Examinations Board will rule on requests for facilities with regard to examinations.	Advice OLC; approval FGV (7.13 m)
5. In the event of a positive decision in response to a request as referred to in paragraph 1, the student can make an appointment with the study adviser to discuss the details of the facilities.	Advice OLC; approval FGV (7.13 m)
6. A request for one or more facilities can be refused on substantiated grounds if it would place an disproportionate burden on the organization or the resources of the faculty or university were it upheld.	Advice OLC; approval FGV (7.13 m)
7. If the disability justifies an extension of the examination time, the responsible person on behalf of the Examinations Board will register in SAP this entitlement to an extension. If a disability justifies other measures to be taken, the academic adviser can take the necessary measures. The student can consult the study monitor to check which facilities have been granted to him/her.	Advice OLC; approval FGV (7.13 m)
8. The decision as referred to in paragraph 5 may specify a limited validity of the facilities granted.	Advice OLC; approval FGV (7.13 m)

6. Hardship clause

Article 6.1 Hardship clause

In instances not regulated by the Teaching and Examination Regulations or in the event of demonstrable extreme unreasonableness and unfairness, the faculty board responsible for the study programme will decide, unless the matter concerned is the responsibility of the Examinations Board.	Advice OLC; approval FGV (9.38 sub b)
---	---

Section B1: Programme specific – general provisions

7. General programme information and characteristics

Article 7.1 Study programme information

1. The programme Archaeology (VU CROHO number 56703; UvA CROHO number 56703) is offered on a full-time basis.	Advice OLC; approval FGV (7.13 i)
2. The programme is offered in partnership with the University of Amsterdam in a joint programme.	Advice OLC; approval FGV/FSR (9.38 b)

Article 7.2 Teaching formats used and modes of assessment

1. The programme uses the teaching formats as specified in the study guide.	Advice OLC/OC; approval FGV/FSR (7.13 x)
2. The modes of assessment used per units of education are specified in the study guide.	Advice OLC/OC; approval FGV/FSR (7.13 l)

Article 7.3 Academic student counselling

The programme offers the following counselling in addition to the student counselling mentioned in Section A: - Counselling from the programme. The student is given the opportunity to make an appointment with the tutor at least twice per academic year.	Advice OLC; approval FGV (7.13 u)
---	-----------------------------------

8. Further admission requirements

Article 8.1 Additional previous education requirements

1. Anyone who meets the prerequisites as set out in the current 'Regeling Aanmelding en Toelating Hoger Onderwijs' (RATHO, OCW) will be granted access to the programme.	Legal provision
2. Students who do not meet the previous education requirements as stipulated in 'Regeling Aanmelding en Toelating Hoger Onderwijs' (RATHO, OCW) currently in force may still be admitted to the programme by successfully completing one or more of the following exams: Not applicable	Legal provision
3. Students who do not meet the previous education requirements but have successfully completed the first year of a higher professional education programme can gain admission to the programme by successfully completing one of the following tests: No additional requirements	Exception in WHW: advice OLC

Article 8.2 Colloquium doctum (entrance examination)

1. Persons aged 21 years and older who do not meet the requirements for previous education can submit a request to the Executive Board to take an entrance examination (colloquium doctum), as stipulated in Article 7.29 of the WHW. The entrance examination concerns the following subjects at final pre-university examination level: English, History and a third subject of choice	Advice OLC; approval FGV (9.38 sub b)
2. The proof that the entrance examination has been passed, only provides entitlement to admission to the intended programme or programmes for the academic year after the examination was taken.	Advice OLC; approval FGV (9.38 sub b)

Article 8.3 Language requirements at the Vrije Universiteit

1. Those who are admitted to a Dutch-language study programme on the basis of a diploma obtained abroad and who have successfully completed level of 4 VWO or higher with a pass grade in Dutch are exempt from the language requirement.	Ordinance CvB
2. For English language Bachelor's programmes sufficient command of the English language can be evidenced by successful completing of: - IELTS: 6.5 - TOEFL paper based test: 580 - TOEFL internet based test: 92 - VU English Proficiency Test: TOEFL ITP 580 - Cambridge Certificate of Proficiency in English (CPE) or Cambridge Certificate of Advanced English (CAE): score A, B or C - Secondary education state exam: VWO English language and literature - A VWO diploma or equivalent diploma in which English of a comparable level is required. Those who have completed English-language education in Canada, the United States, the United Kingdom, Ireland, New Zealand or Australia and those who already hold an English-language Bachelor's degree programme are exempted from the language requirement.	Ordinance CvB

Article 8.4 Language requirements at the UvA

1. Dutch language requirements for Dutch-language bachelor's programmes Students whose previous education was not in a Dutch-speaking country will demonstrate that they have sufficient command of the Dutch language to be able to follow the academic programme successfully. This requirement can be met by passing one of the following exams: - The State Examination Dutch Second Language, exam II (NT2 II);	Advice OLC; approval FGV
---	-----------------------------

- CNaVT (certificate of Dutch as a foreign language) examination Educative Startbekwaam (B2); - CNaVT (Certificaat Nederlands als Vreemde Taal) examen Educatief Professioneel (C1); - Foreign final exams designated by the UvA, of which Dutch was included.	
3. English language requirements for English-language bachelor's programmes. The proficiency requirement in English as the language of instruction can be met by the successful completion of one of the following examinations or an equivalent, with at least the scores specified: - IELTS: 6.5, with at least a 6.0 for each of the separate test components; - TOEFL: 92, with at minimum score of 22 points for each of the separate test components; - Cambridge International Examinations: minimum score C1 Advanced (CAE), with a minimum score of 180; - This examination may not have been taken more than two years before the date of application.	
4. An exemption from the English examination referred to in the second paragraph is granted to students who: - have successfully completed previous education in secondary or tertiary education in one of the following English-speaking countries: Australia, Canada (with the exception of the province of Quebec), New Zealand, Ireland, the United Kingdom or the United States of America; - hold an English-language International Baccalaureate; - passed the final examination for the subject of English as part of one of the following diplomas: VWO, Dutch HBO, German Abitur, Belgian ASO (Flemish), etc.; - hold three GCE A-levels and three GCSE O-levels.	
5. A student who does not meet the requirement of proficiency in English may be allowed to submit a motivated request for exemption to the Examination Board, provided that all documents required for the application have been submitted. The motivation must demonstrate in a formal and verifiable manner that the student complies with the language requirement. In principle, personal statements of the candidate or third parties do not suffice.	

9. Interim examinations and results

Article 9.1 Sequence of interim examinations

1. Students may participate in interim examinations (or practical exercises) of the units of education in the post-propaedeutic year if a positive BSA has been obtained. Any additional requirements are mentioned in the study guide.	Advice OLC; approval FGV (7.13 h, 7.13 s/t)
2. In special cases, the examination board may deviate from the order mentioned in the first paragraph or in the study guide at the student's request, with or without conditions, stating the reasons.	Advice OLC; approval FGV

Article 9.2 Validity period for results

12. Electives

Article 12.1 Elective period

1. The third year of the curriculum comprises elective educational components worth 30 EC.	Ordinance CvB
2. Electives can be chosen from courses offered by other Universiteit, both within and outside the Netherlands. For courses offered by an institution other than the University of Amsterdam or VU University Amsterdam, permission must be granted by the (bachelor's chamber of the) Examination Board.	
3. For this elective period, the student can take: a. a minor (a coherent package of related educational components); b. individual choice of at least five educational components at the faculty or elsewhere, of which a maximum of two (or 12 EC) at the level of the propaedeutic year (introductory, 100); c. electives taken during a stay at a foreign university; d. a maximum of 12 EC of the elective course can be filled with an internship.	Ordinance CvB
4. In consultation with the Examination Board, if the selection space is filled in with a stay abroad, an exemption will be granted for one or more of the compulsory subjects in order to make foreign residence possible.	
5. If the student is taking a minor as stipulated in one of the TERs of the programmes of the Universiteit van Amsterdam or the Vrije Universiteit Amsterdam that contains more than 12 EC at the propaedeutic level, or if the student is taking language acquisition courses of one and the same language, a maximum of 24 EC of the choice may be taken at level 1 or level 100 (propaedeutic level). Language courses at a foreign university which are not part of a scientific study programme but which are aimed at improving the language proficiency of the (exchange) student cannot be regarded as optional courses.	
6. Students at the UvA who started their studies before 1 September 2017 have 42 EC elective components, of which at least 24 EC must be taken outside the study programme.	

Article 12.2 Minors

1. A minor can be followed as a free-choice component. The minor can be chosen from the complete list of minors offered by the Universiteit van Amsterdam and the Vrije Universiteit Amsterdam. The student can follow a university minor (VU),	Ordinance CvB

without prior approval from the Examination Board, provided the entry requirements are met.	
2. Admission to a minor component is subject to the entrance requirements of the relevant subject. A student can only start a minor component if the student meets these entrance requirements.	

13. Honours programme

Article 13.1 Faculty Honours components

The components of the honours programme offered by the faculty are:

The Honours Programme at the VU is an excellence programme. It consists of 30 EC and is taught partly in English. Of the 30 credits, at least 12 and at most 18 are obtained in the faculty. The other credits are obtained outside the faculty. Content and offering in the faculty part The faculty part comprises in any case: - Humanities Research Project (12 EC) In this project the students work individually or in small groups on an ongoing research project after a joint start. Its implementation is defined in consultation with the faculty Honours coordinator, the project coordinator and the researcher(s) involved. The project ends with a joint conclusion (e.g. symposium or publication). If the student obtains 18 EC in the faculty, they choose a supplementary individual research module (6 EC) in addition to the research project, from the following options: - Preparing a literature discussion - Attending a conference and writing a conference discussion - Archive visit + report - Contributing to the organization of a conference/graduate seminar + report - Other contribution to ongoing research The choice of detailed implementation of one of these options always takes place in consultation with the faculty Honours coordinator and a researcher from the student's own programme.	Advice OLC; (7.13 a)
The Honours Programme of the UvA is a programme of excellence. It consists of 30 EC and is partly taught in English. The Honours Programme of the College of Humanities UvA has two tracks, of which the student chooses one. Track 1 consists of the following components: - Interdisciplinary honor seminars (12 credits in total); - Research Practicum (12 credits); - Enhancement of the bachelor thesis/bachelor's thesis/bachelor's research/research work group (6 credits). Track 2 consists of the following components: - Interdisciplinary honor seminars (a total of 24 credits), to be chosen from the following offerings of the Board of Humanities or from the honor offerings of the IIS, the AUC or the VU);	Advice OLC; (7.13 a)

- Weighting of the bachelor thesis/bachelor's thesis/bachelor's research/research group (6 credits). 14. Binding recommendation on continuation of studies (BSA)

Article 14.1 Binding (negative) recommendation

1. In order to obtain a positive recommendation on continuation of studies, the student must have obtained at least 48 EC by the end of the first year of enrolment.	Advice OLC (7.13 f)
2. Students who receive a binding negative recommendation on continuation of studies cannot enroll in the following Bachelor's programme(s) offered by the Faculty during the subsequent three academic years: Archeologie (Archaeology) (VU and UvA).	Advice OLC (7.13 f)

15. Evaluation and transitional provisions

Article 15.1 Evaluation of the education

The degree programme is responsible for evaluating the quality of its education. The Faculty makes course evaluation reports available to this end. Additional forms of evaluation may be carried out at the programme's own discretion. The Programme Committee is entitled to receive all teaching evaluations and is expected to discuss them. The Programme Committee can also collect information about teaching quality by other means.	Approval OLC (7.13 a1)
---	------------------------

Article 15.2 Transitional provisions

The transitional arrangements are set out in appendix 1. If an unit of education has lapsed from the compulsory study programme, the student will be given one more opportunity to take the examination for this unit of education after the last unit of education in unit of education. Appendix 2A Exit qualifications for students UvA

Students who started the programme Archaeology and Prehistory at the UvA before 1 September 2017 will have the following exit qualifications:

1. General exit qualifications

1. The student has knowledge of and insight into general scientific-philosophical backgrounds of humanities research and is able to apply this knowledge and insight to the discipline of the study programme and to form an opinion about the position of this discipline as part of humanities disciplines and in relation to other related disciplines.
2. The student is able to collect and interpret relevant data at an academic level (particularly in the field of the study programme) with the aim of forming an opinion that is partly based on weighing up relevant scientific and - where applicable - social and/or ethical aspects.
3. At an academic level, the student is able to convey information, ideas and solutions in written and oral form to an audience of prospective specialists in the field of study.
4. The student has demonstrable knowledge of and insight into a field of study other than the field of study of the study programme, in which - insofar as this field of study has also been dealt with in secondary education - the level reached in secondary education has been exceeded. The student is able to collect and interpret relevant data at an academic level in this field of study with the aim of forming an opinion that is partly based on weighing up relevant academic aspects.
5. The student has knowledge of and insight into some specialist parts of the discipline of the study programme and/or parts of (other) disciplines.
6. The student is able to apply his/her knowledge and insight to subject-specific issues in such a way that it demonstrates a professional approach to the work fields/professions related to the study programme, and has competences for drawing up and deepening arguments and solving problems in the discipline of the study programme.
7. The student is able to correctly interpret publications in the field of the study programme that are written in Dutch, English or the target language of the study programme and to include them in his/her judgment.
8. The student possesses the learning skills necessary to undertake a follow-up study that requires a high level of autonomy.
9. The student has gained experience in working in a group and is able to reflect on his/her own functioning in a group.
10. The student has shown that he possesses the learning and planning skills necessary to complete courses and the assignments that are part of them within the set period of time.
11. The student is able to link relevant developments in the field of study to his own research design and can independently apply a limited number of analysis techniques and research methods.

2. Programme specific exit qualifications

1. The student has demonstrable knowledge of and insight into the field of study Archaeology and Prehistory in which - insofar as this field of study has also been dealt with in secondary education - the level reached in secondary education has been continued and surpassed; more specifically, the student possesses the knowledge and insights described below.
2. The student has demonstrable knowledge of and insight into the basic principles of the main fields/disciplines of the Archaeology and Prehistory programme, namely European Archaeology and Mediterranean Archaeology.
3. The student has a proven knowledge and understanding of the philosophical backgrounds of research within the fields/disciplines of the programme Archaeology and Prehistory.
4. The student has demonstrable knowledge of and insight into important themes in scientific practice and/or scientific debate within the fields/disciplines of the programme Archaeology and Prehistory.

5. The student has demonstrable knowledge of the conceptual apparatus and the most important research methods and techniques within the fields/disciplines of the Archaeology and Prehistory study programme.
6. The student is able to (practically) apply the knowledge acquired during the course in a context that is typical of the fields/disciplines of the Archaeology and Prehistory programme.
7. The student has proven skills that are essential for the practice of the fields/disciplines of the Archaeology and Prehistory programme:
 - research skills;
 - the ability to carry out fieldwork with some independence and to take care of the associated basic reporting;
 - the ability to independently analyse, document and determine archaeological material.
8. The student must also demonstrate that he is able to report these learning outcomes in correctly written and spoken Dutch.

Appendix 2B Exit qualifications for students at VU

Students who started the programme Archaeology at VU before 1 September 2017 will have the following exit qualifications:

1. General exit qualifications

1. The student has knowledge of and insight into general scientific-philosophical backgrounds of humanities research and can apply this knowledge and insight to the discipline of the study programme and form an opinion about the position of this discipline as part of humanities disciplines and in relation to other related disciplines.
2. The student is capable of collecting and interpreting relevant data at an academic level (particularly in the discipline of the study programme) with the aim of forming an opinion that is partly based on weighing up relevant scientific and - insofar as applicable - social and/or ethical aspects.
3. The student may report in writing and orally on an academic subject, both to an academic audience and to a wider audience.
4. The student has knowledge of and insight into some specialist components of the study programme and/or components of (other) disciplines.
5. The student is able to apply his/her knowledge and insight to subject-specific issues in such a way that it shows a professional approach to the work fields/professions related to the study programme, and has competences for drawing up and deepening arguments and solving problems in the field of the study programme.
6. The student is able to correctly interpret publications in the field of the study programme that are drawn up in Dutch, English or the target language of the study programme and to include them in his/her judgment.
7. The student possesses the learning skills necessary to undertake a follow-up study that requires a high level of autonomy.

9. The student has shown that he possesses the learning and planning skills necessary to complete courses and the assignments that are part of them within the set period of time.
10. The student is able to link relevant developments in the field of study to his own research design and can independently apply a limited number of analysis techniques and research methods.

2. Programme specific exit qualifications

1. The student is able to (digitally) manage, analyse and visualise archaeological data.

2. The student is able to make a reasoned, written and oral argument aimed at a specific target group.
3. The student has knowledge of and insight into the most important theoretical approaches and related concepts in archaeology and knows how to determine his own position in this.
4. On the basis of their knowledge and skills as archaeologists, students can develop meaningful questions and translate them into fieldwork strategies.
5. The student has demonstrable knowledge of and insight into the scientific-philosophical backgrounds of research within the fields/disciplines of the course Archaeology/Archaeology and Prehistory.
6. The student has demonstrable knowledge of the conceptual apparatus and the most important research methods and techniques within the fields/disciplines of the programme.
7. The student is able to (practically) apply the knowledge acquired during the programme in a context that is typical of the fields/disciplines of the Archaeology and Prehistory programme.
8. The student has proven skills that are essential for the practice of the fields / disciplines of the Archaeology / Archaeology and Prehistory study programme, namely research skills, and skills in the field of the chosen specialism. The student also demonstrates that he or she is able to provide a written and oral report of these learning outcomes in correct Dutch.

Mediterranean archaeology:

9. The student has knowledge and understanding of the material culture in the Mediterranean area from prehistory to the late antiquity period, and has a historical framework to which he can relate developments through time.
10. The student knows the possibilities and limitations of the types of sources available to Mediterranean archaeologists.
11. The student is familiar with the common methods and techniques of archaeological fieldwork in the Mediterranean area, and is able to apply basic methods and techniques independently.
12. The student is able to carry out independent research on a subject from Mediterranean archaeology, formulating relevant questions, highlighting different points of view, and critically evaluating and giving substantiated own opinions.

NW-European archaeology:

13. The student has knowledge and insight into the material culture of NW Europe from prehistory to the Middle Ages, and has a historical framework to which he can relate developments in material culture over time.
14. The student knows the possibilities and limitations of the various types of sources available to NW-European archaeologists.
15. The student has knowledge and insight into the main themes of NW-European archaeology from late prehistory to the New Age, with the emphasis on the Netherlands.
16. The student is familiar with the current methods and techniques of archaeological fieldwork in NW-European landscapes and is able to apply them.
17. The student is able to place specific Dutch developments in a broader European framework.
18. The student is able to carry out independent research on a subject from NW-European archaeology, highlighting different points of view and giving critically evaluated and argued own opinions.
