Section A: Faculty section

1. General provisions

Article 1.1 Applicability of the Regulations

1. These Regulations apply to anyone enrolled in the programme, irrespective of the academic year in which the student was first enrolled in the programme.	Advice OLC, approval FGV (9.38 sub b)
2. These Regulations enter into force on 1 September 2026.	Advice OLC, approval FGV (9.38 sub b)
3. An amendment to the Teaching and Examination Regulations is only permitted to concern an academic year already in progress if this does not demonstrably damage the interests of students.	Advice OLC, approval FGV (9.38 sub b)
4. In certain cases, students may appeal against decisions made on the basis of the Teaching and Examination Regulations, for example decisions made by an examiner, examination board, BSA committee, or admission committee. Whether an appeal can be considered depends on the type of the decision and by whom the decision was made. More information about legal protection can be found in the Student Charter and on the website Complaints, appeals, and objections - Vrije Universiteit Amsterdam.	Ordinance CvB, see Appendix III

Article 1.2 Definitions

The following definitions are used in these Regulations (*in alphabetical order*):

- a. academic year: the period beginning on 1 September and ending on 31 August of the following calendar year;
- b. EC (European Credit): a course credit with a workload of 28 hours of study;
- c. examination: an assessment of the student's knowledge, understanding and skills relating to a unit of education. The assessment is expressed in terms of a final mark. An examination may consist of one or more partial examinations. A resit always covers the same material as the original examination. An examination can be completed in writing, orally or in another way;
- d. final examination: a Bachelor's examination;
- e. internship: period spent working in professional practice as part of a study programme;
- f.1 joint degree: a degree awarded by an institution together with one or more institutions in the Netherlands or abroad, after the student has completed a study programme (a degree programme, a specialisation or a specific curriculum within a degree programme) for which the collaborating institutions are jointly responsible;
- f.2 double degree: partnership between a programme of a Dutch educational institution with a foreign educational institution, whereby students complete all or part of both study programmes and obtain two diplomas on the basis of agreements regarding the mutual recognition of the programme (replacement courses);

g. minor:	a set of thematically related units of education totalling 30 credits. Students choose a minor in order to broaden and/or deepen their studies (within the scope for electives) during the Bachelor's programme;
h. period:	a part of a semester;
i. practical exercise:	participation in a practical training activity or other educational learning activity, aimed at acquiring certain (academic) skills. Examples of practical exercises are: ○ researching and writing a thesis or dissertation ○ carrying out a research assignment ○ taking part in fieldwork or an excursion ○ taking part in another educational learning activity aimed at acquiring specific skills, or ○ participating in and completing a work placement;
j. programme:	the totality and cohesion of the units of education, teaching activities/methods, contact hours, testing and examination methods and recommended literature;
k. SAP/SLM:	the student information system (<i>Student Lifecycle Management</i>);
l. semester:	the first (September - January) or second half (February - August) of an academic year;
m. specialisation:	optional route of study within a degree programme indicating a deepening of the context of the programme (e.g. interdisciplinary or multidisciplinary);
n. student statute:	sets out the rights and responsibilities of students on the one hand, and of Vrije Universiteit Amsterdam on the other hand, including those derived from the law and those derived from university regulations. The Executive Board (CvB) officially confirms the student statute once its completeness has been approved by the University Student Council (USC);
o. student:	the person enrolled, requesting enrolment or who has been enrolled in a course or programme at the Vrije Universiteit;
p. study guide:	the guide for the study programme that provides further details of the courses, provisions and other information specific to that programme. The study guide is available online at https://www.vu.nl/studiegids ;
q. study monitor:	dashboard for students and academic advisers containing data pertaining to the student, including the student's study progress;
r. subject:	see u. 'unit of education';
s. thesis:	a unit comprising research into the literature and/or a contribution to scientific research, always resulting in a written report;
t. track:	a study pathway within a programme, of which the workload and the qualities in terms of knowledge, insight and skills that the student must have acquired by the end of the programme are equal to those of the programme
u. unit of education:	a unit of study of the programme within the meaning of the WHW;
v. university:	Vrije Universiteit Amsterdam;

- w. WHW: the Dutch Higher Education and Research Act (Wet op het Hoger Onderwijs en Wetenschappelijk Onderzoek (WHW)).
- x. workload: the workload of the unit of education to which an examination applies, expressed in terms of credits = EC credits (ECTS = European Credit and Transfer Accumulation System). The workload for 1 year (1,680 hours) is 60 EC credits.

The other terms have the meanings ascribed to them by the WHW.

2. Study programme structure

Article 2.1 Structure of academic year and units of education

1. The study programme will be offered in a year divided into two semesters.	Ordinance CvB, see Appendix III
2. Every semester consists of three consecutive periods. The first two periods each consist of eight weeks, and the final period consists of four weeks.	Ordinance CvB, see Appendix III
3. A unit of education comprises 6 ECs or a multiple thereof.	Ordinance CvB, see Appendix III
4. By way of exception to paragraph 3, the Executive Board may in special cases and on request of the Faculty Board, stipulate that a unit of education comprises 3 EC or a multiple thereof.	Ordinance CvB, see Appendix III

Article 2.2 Setup of programme

1. All Bachelor's programmes consist of at least the following components: a. An academic core of at least 24 ECs b. Major/compulsory components of at least 90 ECs c. Elective components of study of at least 30 ECs	Ordinance CvB, see Appendix III
2. In the first year of the programme, the programme will offer at least fourteen contact hours a week.	Ordinance CvB, see Appendix III
3. In the second and third years of the programme, the programme will offer at least twelve contact hours a week.	Ordinance CvB, see Appendix III
4. Internationalisation is included as part of the Bachelor's programme and reflected in one or more units of education.	Ordinance CvB, see Appendix III

3. Assessment and examination

Article 3.1 Signing up for education and examinations

1. Every student must sign up to participate in the units of education of the programme, the examinations and resits. The procedure for signing up is described in Regulations for registering for courses and examinations.	Ordinance CvB, see Appendix III
--	---------------------------------------

2. Signing up may only take place in the designated periods.	Ordinance CvB, see Appendix III
--	---------------------------------------

Article 3.2 Type of examination

1. At the examiner's request, the Examination Board may permit a different form of examination than is stipulated in the study guide.	Advice OLC, Approval FGV (7.13 I)
---	---

Article 3.3 Oral examinations

1. No more than one student will be examined orally at a time, unless specified otherwise in part B for the relevant unit of education.	Advice OLC; approval FGV (7.13 I and n)
2. A second examiner is present when an oral examination is being held, unless the Examination Board has determined otherwise. The oral examination takes place at a time and location to be determined by the examiner within the regular timetable, on campus or online. At the request of the student, and with the approval of the examiners, an audio recording can be made. Should the second examiner not be available unexpectedly, an audio recording of the oral exam is made. This audio recording is retained by the university for the retention period applicable for examinations.	Advice OLC; approval FGV (7.13 I and n)

Article 3.4 Determining and announcing results

1. The examiner determines the result of a written examination within ten working days. However, the marking deadline for final projects is no longer than twenty working days after submission. The examiner will then immediately ensure that the marks are registered and also ensures that the student is immediately notified of the mark, taking due account of the applicable confidentiality standards.	Ordinance CvB, see Appendix III
2. The examiner determines the result (i.e. mark) of an oral examination as soon as possible, but at the latest within two working days after the examination has finished and informs the student accordingly. The third clause of the first paragraph applies.	Advice OLC; approval FGV (7.13 o)
3. In the case of assessments other than oral or written examinations, the Examination Board determines in advance how and by what deadline the student will be informed of the results.	Advice OLC; approval FGV (7.13 o)

Article 3.5 Examination opportunities

1. a. Per academic year, two opportunities to take examinations will be offered for each unit of education. b. By way of exception to a., the options for retaking practical exercises, work placements and final projects are detailed in the relevant course manual or regulations.	Ordinance CvB, see Appendix III
2. The most recent mark will apply in the event of a resit. A resit is allowed for both passed and failed examinations.	Ordinance CvB, see Appendix III
3. The resit for an examination may not take place within ten working days of the announcement of the results for the original examination. Exceptions are only possible in period 6.	Advice OLC; approval FGV (7.13 j)

4. The Examination Board may allow a student an extra opportunity to sit an examination if that student: a) has completed all but one units of education to meet the requirements of the degree; and b) has failed the examination during all the previously offered attempts in the current year, unless participation in an examination was not possible for compelling reasons. This provision excludes the practical exercises and the final project. Requests for an additional examination opportunity must be submitted to the Examination Board. If necessary, the method of examination may deviate from the provisions in the study guide.	Ordinance CvB, see Appendix III
5. If a unit of education is no longer offered, at least one additional opportunity will subsequently be provided to sit the examination(s) or parts thereof and a transitional arrangement will be included in Section B.	Advice OLC, approval FGV (7.13 j)

Article 3.6 Marks

1. Grades are given on a scale from 1 to 10 with no more than one figure after the decimal point.	Ordinance CvB, see Appendix III
2. A final mark between 5 and 6 will be rounded to the nearest whole number: final marks below 5,5, rounded down; final marks of 5,5 or higher, rounded up. All other final marks will be expressed in whole or half marks.	Ordinance CvB, see Appendix III
3. To pass a given course or unit, a final mark of 6 or higher is required.	Ordinance CvB, see Appendix III
4. The Examination Board can allow the use of symbols rather than numbers.	Ordinance CvB, see Appendix III

Article 3.7 Exemption

1. At the written request of the student, the Examination Board may exempt the student from taking one or more examination components, if they: - have either passed a unit of education at a university of applied sciences (HBO) or research university (WO) that is equivalent in terms of content and level; - or have demonstrated through their work and/or professional experience that they have sufficient knowledge and skills with regard to the relevant unit of education.	Advice OLC; approval FGV (7.13 r)
2. The Bachelor's thesis is excluded from the possibility of exemption.	Advice OLC; approval FGV (9.38 sub b)

Article 3.8 Validity period for results

1. The validity period of examinations passed and exemption from examinations is unlimited, unless otherwise specified in Section B.	Legal provision
---	-----------------

Article 3.9 Right of inspection

1. Within twenty working days after the announcement of the results of a written examination, but at least ten working days before the resit opportunity for that examination, the student has the right to inspect their graded examination.	Advice OLC; approval FGV (7.13 p and q)
--	---

2. Students can view the questions and assignments set in the written examination, and the standards applied when assessing the examination, within the period specified in 3.9.1.	Advice OLC; approval FGV (7.13 q)
3. The examiner determines whether the inspection takes place collectively or individually. In all cases, the time and place of the inspection is announced in the course manual or learning environment.	Advice OLC; approval FGV (7.13 q)
4. Students are entitled to feedback on their academic performance. The manner in which this is provided in each unit of education is described in the course manual..	Advice OLC; approval FGV (7.13 p and q)

4. Honours programme

Article 4.1 Honours programme

1. Vrije Universiteit Amsterdam offers an honours programme for students who meet the admission requirements. The honours programme consists of units of education taken in addition to the standard curriculum.	Ordinance CvB, see Appendix III
2. Students will be admitted to the honours programme if they, - demonstrate motivation and are studying at the nominal pace or - have obtained all credits for the first year by August 31 of that year with a weighted average mark of at least 7.5.	Ordinance CvB, see Appendix III
3. Students who have met the requirements of the regular Bachelor's programme within the nominal duration of study, and who have also met the requirements of the honours programme will receive a Bachelor diploma with a transcript indicating that they have successfully completed the honours programme.	Ordinance CvB, see Appendix III

5. Academic student counselling, recommendation on continuation of studies and study progress

Article 5.1 Administration of study progress and academic student counselling

1. The faculty board is responsible for the correct registration of the students' study results. After the assessment of a unit of education has been registered, every student has the right to inspect the result for that component and also has a list of the results achieved at their disposal in VU.nl Dashboard.	Advice OLC; approval FGV (7.13 u)
2. Enrolled students are eligible for academic student counselling. Academic student counselling is provided by a. The Student Counsellor b. Student psychologists c. Faculty academic advisers	Advice OLC; approval FGV (7.13 u)

Article 5.2 Recommendation on continuation of studies

1. The faculty board will issue every student on a full-time Bachelor's programme with a recommendation on continuation of their studies, at the end of the first year of study. The recommendation on continuation of studies is issued on behalf of the faculty board by the faculty BSA committee.	Ordinance CvB, see Appendix III
2. Prior to 1 February, the student will receive an overview of their results.	Ordinance CvB, see Appendix III
3. Students who have not completed enough credits, will receive a warning stating that if insufficient improvement in their performance is forthcoming by the end of the academic year, they will receive a negative advice regarding the continuation of	Advice OLC (7.13 f)

their studies. These students will also be advised to plan a meeting with an academic adviser.	
4. If the recommendation at the end of the academic year is negative, the provisions of Article 5.3 apply.	Advice OLC (7.13 f)
5. A recommendation will not be issued if the student terminates their enrolment before 1 February of their first academic year.	Advice OLC (7.13 f)

Article 5.3 Binding (negative) recommendation on continuation of studies (BSA)

1. The recommendation issued at the end of the academic year will contain a binding rejection if the student has not achieved the standard required for a positive recommendation on continuation of studies. A recommendation on continuation of studies will not be issued if the student demonstrates that they have not been able to meet the standard due to personal circumstances as described in Article 2.1 of the Higher Education and Research (Implementation) Act (Uitvoeringsbesluit WHW). The standard is defined in Section B.	Ordinance CvB, see Appendix III
2. As soon as possible after the last resits of the second semester of the first year, a student who has not met the standard will be informed that the faculty board intends to issue them with negative binding recommendation on continuation of studies. The same procedure applies in the next year of enrolment if the student was permitted to continue with their study programme as a result of personal circumstances and has still not successfully met all of the requirements of the first year of study by that time. No recommendation will be issued to students if they demonstrate that they once again did not meet the standard as a consequence of personal circumstances.	Ordinance CvB, see Appendix III
3. Along with the information referred to in the previous paragraph, students will also be informed of the possibility of being heard by the BSA committee and of how they can apply for such a hearing.	Ordinance CvB, see Appendix III
4. As soon as possible (no more than ten working days) after the end of the hearing and after the BSA committee has issued its advice, the faculty board will issue the definitive recommendation on continuation of studies.	Ordinance CvB, see Appendix III
5. Students may lodge an appeal against a decision on a binding negative recommendation on continuation of studies with the Examination Appeals Board of Vrije Universiteit Amsterdam within six weeks of the day of the decision's announcement.	Ordinance CvB, see Appendix III
6. Students who receive a binding negative recommendation on continuation of studies may therefore not enrol in the same Bachelor's programme or Bachelor's programme(s) with the same first year as defined in Article 14.1.2 of section B for a period of three years.	Ordinance CvB, see Appendix III

Article 5.4 Personal circumstances

1. The faculty board will not include a rejection in the binding recommendation on the continuation of studies in the case of personal circumstances, as described in Article 2.1 of the Higher Education and Research (Implementation) Act, as a result of which the student concerned cannot have been reasonably expected to have met the BSA standard.	Advice OLC (7.13 f)
2. If a circumstance, as described in Article 2.1 of the Higher Education and Research (Implementation) Act, should occur, students must notify the academic adviser office as soon as possible, providing details of: the period in which the circumstance occurs or occurred;	Advice OLC (7.13 f)

b. a description of the circumstance and its seriousness; c. the extent to which they cannot or could not participate in instruction/classes or an examination. It is students' responsibility to submit documentary evidence to substantiate their report.	
3. If required, the academic adviser may advise the BSA committee on the extent to which personal circumstances have influenced the student's study progress.	Advice OLC (7.13 f)

Article 5.5 Facilities for students with a disability or impairment

1. Students with a disability or impairment, can submit a request via VU.nl Dashboard to qualify for one or more special facilities with regard to teaching, practical exercises and examinations. These facilities will accommodate the student's individual disability or impairment as much as possible, but may not alter the quality or degree of difficulty of a unit of education or an examination. In all cases, the student must fulfil the intended learning outcomes for the study programme.	Advice OLC; approval FGV (7.13 m)
2. The request referred to in the first paragraph must be accompanied by a statement from a doctor or psychologist. If possible, an estimate should be given of the potential impact on the student's study progress. In case of a chronic disability a single (one time) request suffices.	Advice OLC; approval FGV (7.13 m)
3. Students who have been diagnosed with dyslexia must provide a statement from a BIG-, NIP- or NVO-registered professional who is qualified to conduct a psychological evaluation.	Advice OLC; approval FGV (7.13 m)
4. The faculty board, or the responsible person on behalf of the faculty board, decides on teaching facilities and facilities regarding logistics. The Examination Board will decide on requests for facilities with regard to examinations.	Advice OLC; approval FGV (7.13 m)
5. In the event of a positive decision in response to a request as referred to in paragraph 1, the student can make an appointment with the academic adviser to discuss the details of the provisions.	Advice OLC; approval FGV (7.13 m)
6. A request for one or more facilities can be refused if it would place a disproportionate burden on the organisation or the resources of the faculty or university were it upheld. Any such refusal will be substantiated.	Advice OLC; approval FGV (7.13 m)
7. If the disability or impairment justifies an extension of the examination time, the responsible person on behalf of the Examination Board will register in SAP this entitlement to an extension. If a disability or impairment justifies other measures to be taken, the academic adviser can take the necessary measures. The student can consult the study monitor to check which facilities have been granted to them.	Advice OLC; approval FGV (7.13 m)
8. The decision as referred to in paragraph 5 may specify a limited validity of the facilities granted.	Advice OLC; approval FGV (7.13 m)

6. Hardship clause

Article 6.1 Hardship clause

1. In instances not regulated by the Teaching and Examination Regulations or in the event of demonstrable extreme unreasonableness or unfairness, the faculty board responsible for the study programme will decide, unless the matter concerned is the responsibility of the Examination Board.	Advice OLC; approval FGV (9.38 sub b)
--	---

Section B1: Programme-specific section

7. General programme information and characteristics

Article 7.1 Study programme information

The programme Political Science, RIO number 56606, is offered on a full-time basis.	Advice OLC; approval FGV (7.13 u)
---	---

Article 7.2 Teaching formats used and modes of assessment

1. The degree programme uses predominantly the following forms of teaching: • lectures • working groups; • tutorials; • individual supervision.	Advice OLC; approval FGV (7.13 x)
2. The degree programme uses predominantly the following modes of assessment: • written examination; • oral examination; • (individual or group) assignments; • formative assessment • portfolio; • presentations; • thesis.	Advice OLC; approval FGV (7.13 l)

Article 7.3 Academic student counselling

The programme offers the following counselling in addition to the student counselling mentioned in Section A. Student mentors make the students familiar with the faculty during the first year. Teacher mentors regularly meet with the students to support them with various choices they have to make during the study.	Advice OLC; approval FGV (7.13 u)
--	---

8. Further admission requirements

Article 8.1 Additional previous education requirements

1. Applicants who meet the previous education requirements as stipulated in the current 'Regulations on Registrations and Admissions in Higher Education' (' <i>Regeling Aanmelding en Toelating Hoger Onderwijs</i> ' (RATHO, OCW)) will gain access to the programme.	Legal provision
2. Applicants who do not meet the previous education requirements as stimulated in 'Regulations on Registrations and Admissions in Higher Education' currently in force may still be admitted to the programme by successfully completing one or more of the following exams: <i>not applicable</i> .	Exception in WHW: advice OLC
3. For the Dutch track, sufficient command of the Dutch language can be evidenced by successful completion of: - The official Dutch as a Second Language Programme II (NT2-II) and registration in DUO; - Certificate of Dutch as a Second Language (CNaVT), profile '<i>Educatief Professioneel</i>' (EDUP) C1 or '<i>Educatief Startbekwaam</i>' (SRTR)B2; - Foreign final school examinations accepted by Vrije Universiteit Amsterdam, which included the Dutch language.	Ordinance CvB, see Appendix III

Those who have been admitted to a Dutch-language study programme based on a diploma obtained abroad and who have successfully completed level 4 of vwo or higher with a pass grade in Dutch are exempted from the language requirement.	
4. For the English track, sufficient command of the English language can be evidenced by successful completion: - IELTS Academic: an overall score of at least 6.5 At the start of the programme, the test must not have been taken more than two years ago. - TOEFL iBT: an overall score of at least 4.5 (formerly 92); At the start of the programme, the test must not have been taken more than two years ago. - VU English Language Proficiency Test; TOEFL ITP 580 At the start of the programme, the test must not have been taken more than two years ago. - Cambridge C2 Proficiency/Certificate of Proficiency in English (CPE): an overall score of at least 180 - Cambridge C1 Advanced/Certificate Advanced English (CAE) an overall score of at least 180 - LanguageCert Academic SELT: an overall score of at least 70 At the start of the programme, the test must not have been taken more than two years ago. - Pearson PTE Academic: an overall score of at least 68 At the start of the programme, the test must not have been taken more than two years ago. Sufficient command of the English language can also be evidenced by successful completion of: - Secondary education state exam: vwo English language and literature - A vwo diploma or equivalent diploma in which the course on English of a comparable level is required Applicants who have completed one of the following meet the English language requirement and therefore are exempted from taking an English language test: - a secondary education or higher education degree (at least at EQF level 4) fully taught in English has been completed in Australia, Canada, Ireland, New Zealand, the United Kingdom or the United States of America; - a fully English-language, accredited bachelor's or master's degree (EQF level 6 or 7), or - an International Baccalaureate Degree (with English as the main language of instruction).	Ordinance CvB, see Appendix III
5. Anyone who does not meet the requirements for previous education but who has passed the propaedeutic examination of a higher professional education programme will be admitted to the programme.	Advice OLC; approval FGV (9.38 sub b)

Article 8.2 Entrance examination

1. Persons aged 21 years and older who do not meet the requirements for previous education can submit a request to the Executive Board to take an entrance examination, as stipulated in Article 7.29 of the WHW. The entrance examination concerns the following subjects at final pre-university examination level:	Advice OLC; approval FGV (9.38 sub b)
--	--

• Mathematics • English	
2. The proof that the entrance examination has been passed only provides entitlement to admission to the intended programme or programmes for the academic year after the examination was taken.	Advice OLC; approval FGV (9.38 sub b)

9. Examinations and results

Article 9.1 Sequence of examinations

The following educational units cannot be participated in until the following sequential requirements are met: • Bachelorthesisproject Mondiale Politiek after achieving at least 90 EC from the programme (excluding electives), including Academische Vaardigheden 1 and 2. • Bachelorthesisproject Nationale Politiek en Bestuur after achieving at least 90 EC from the programme (excluding electives), Academische Vaardigheden 1 and 2. • Bachelor's Thesis Project Global Politics after achieving at least 90 EC from the programme (excluding electives), including Academic Skills Workshop Political Science 1 and 2.	Advice OLC; approval FGV (7.13 h, 7.13 s/t)
--	---

Article 9.2 Validity period for results

1. If a student's understanding and skills as evaluated in the exam are demonstrably outdated, the Examination Board may impose a supplementary or replacement examination for a unit of education for which an examination was passed more than 10 years ago.	Advice OLC; approval FGV (7.13)
2. The validity period of a partial examination is limited to the academic year in which it was sat or until the end of the unit of education concerned. In exceptional circumstances, an examiner may deviate from this; this must be stated on Canvas at the start of the unit of education.	

Section B2: Programme-specific section – content of programme

10. Programme objectives, tracks/specialisations, intended learning outcomes and language

Article 10.1 Programme objective

The Bachelor's programme in Political Science prepares students for independent Political Science practice and the professional application of the scientific knowledge and skills acquired during the programme. The political scientist specializes in analysing conflicts within and between groups and organizations and collective decision-making to deal with those conflicts. The political scientist studies the associated material and immaterial interests, the institutions involved, the power processes affecting conflicts and decision-making processes, as well as the resulting social effects. Graduates of the programme are qualified to work as analysts of (national or international) politics for public (government) organizations, as external advisers to such bodies, or for private organizations (including companies) whenever they relate to public functions. The programme also prepares for a Master's degree programme in Political Science or a related specialization. Due to the specific Dutch orientation of both the course content and educational format of the Bachelor Political Science: Nationale Politiek en Bestuur, its graduates are specifically prepared to work in political contexts and organizations at national and subnational (i.e. provincial, regional and local) levels in the Netherlands. Due to the specific global orientation of both the course content and educational format of the Bachelor Political Science: Global Politics, its graduates are specifically prepared to work in political contexts and organizations at international (including supranational, transnational, and global) levels.	Advice OLC; (7.13 a)
---	-------------------------

Article 10.2 Tracks and/or specialisations

Starting 2025-2026, the programme has the following tracks: • Politicologie: Nationale Politiek en Bestuur (Dutch). • Political Science: Global Politics (English) For students who started the programme in 2024-2025 or before, the programme has the following tracks: • Global Politics (English); • Politicologie (Dutch). For last-mentioned students, the Dutch-language track has the following specializations: • Mondiale Politiek; • Nationale Politiek en Bestuur.	Approval OLC; (7.13 b)
--	---------------------------

Article 10.3 Intended learning outcomes

1. Nationale Politiek en Bestuur	Approval OLC (7.13)
--	-------------------------

Kennis en Inzicht – De afgestudeerde heeft kennis van en inzicht in:

2. de werking van politiek en bestuur in Nederland, met bijzondere aandacht voor de kansen en bedreigingen voor de democratische rechtsstaat en de invloed van maatschappelijke, technologische en andere ontwikkelingen op de politiek en het bestuur in Nederland;
3. belangrijke begrippen, theorieën en inzichten van de moderne politicologie, dat wil zeggen de algemene en vergelijkende politicologie, de internationale betrekkingen en de normatieve politieke theorie, met een nadruk op de Nederlandse en vergelijkende politicologie;
4. de eigen aard en methodologie van sociaalwetenschappelijk onderzoek in het algemeen en politicologisch onderzoek in het bijzonder.

Vaardigheden – De afgestudeerde beschikt over de volgende vaardigheden:

5. het verzamelen, analyseren en interpreteren van politieke data door middel van geavanceerde (digitale) technieken en het beoordelen van politicologische onderzoeksresultaten op hun betrouwbaarheid, geldigheid en praktische toepasbaarheid;
6. het betrekken van politicologische kennis en inzichten en relevante andere perspectieven op actuele maatschappelijke vraagstukken en het vertalen daarvan naar bruikbare kennis, inzichten en perspectieven voor (primair Nederlandse) belanghebbenden buiten de universiteit;
7. het onderkennen van de waardegeladenheid van wetenschappelijke theorieën en politieke en bestuurlijke opvattingen met behulp van normatieve theorieën;
8. het in groepsverband samenwerken met medestudenten, docenten en andere belanghebbenden en het bijdragen aan gemeenschappelijke (onderzoeks)producten;
9. het uitvoeren, onder begeleiding, van een kleinschalig maar volledig wetenschappelijk onderzoek;
10. het verzorgen van heldere mondelinge en schriftelijke communicatie van politicologische kennis en inzichten, in de Nederlandse taal, als bijdrage aan Nederlandse wetenschappelijke en maatschappelijke debatten.

Attitude: De afgestudeerde geeft blijkt van:

11. een nieuwsgierige, reflectieve en kritische houding ten aanzien van Nederlandse politieke verschijnselen, politicologische literatuur en politieke opvattingen, zowel van anderen als van zichzelf;
12. de bereidheid en het vermogen tot samenwerking met anderen in situaties van politieke en anderszins relevante diversiteit, zowel in academische situaties als in professionele situaties buiten de universiteit;
13. het vermogen om de studie op masterniveau te vervolgen, om zich verder te bekwamen voor maatschappelijke en/of wetenschappelijke functies en om zich levenslang te blijven ontwikkelen.

Global Politics

Knowledge and understanding – The graduate has acquired knowledge and understanding of:

1. important political phenomena, in particular the regulation of social conflicts by the state and by semi-public and private institutions, including the underlying power processes, in international and global contexts; 2. the functioning of politics in the global political order, with special attention for international conflict and cooperation, international security, and global political economy, and the effects of societal, technological, and other developments on global politics; 3. important concepts, theories, and insights of modern Political Science, that is, of general and comparative politics, international relations, and normative political theory, with an emphasis on international relations, both from 'Western' and 'non-Western' perspectives; 4. the specific nature and methodology of social scientific research in general and Political Science research in particular. Skills – The graduate is able to: 5. to collect, analyse, and interpret political data by means of advanced (digital) techniques and to assess Political Science research results in terms of reliability, validity, and practical applicability; 6. to apply Political Science knowledge and insights and other relevant perspectives to current issues in global politics and to translate them into useful knowledge, insights, and perspectives for (primarily international) stakeholders outside of academia; 7. to recognize, by means of normative theories, the value-ladenness of both scientific theories and political views; 8. to cooperate in groups with fellow students, teachers, and other stakeholders and to contribute to joint (research) products; 9. to conduct, under supervision, a small-scale but complete scientific research project; 10. to provide clear oral and written communication of Political Science knowledge and insights in the English language, as contributions to international scientific and public debates. Attitude – The graduate displays: 11. a curious, reflective, and critical attitude towards international political phenomena, towards Political Science literature and towards current international views on politics, both those of others and one's own; 12. the willingness and competence to cooperate with others in a setting of political and otherwise relevant diversity, both in international classroom settings and in professional settings outside of academia. 13. the competence to continue one's studies at the Master's level, to further prepare oneself for societal and/or scientific positions, and to engage in lifelong development.	
2. Language proficiency may be taken into account in the assessment of examinations.	Approval OLC (7.13 c)

Article 10.4 Language of instruction and language test

1. The language of instruction of instruction of the track Political Science (Global Politics) is English. The language of instruction of instruction of the track Politicologie (Mondiale Politiek, Nationale Politiek en Bestuur) is Dutch.	Approval OLC (9.18)
---	---------------------

2. The 'Gedragscode vreemde taal' (Code of conduct for foreign languages) applies.	Ordinance CvB, see Appendix III
3. At the start of the first year of study every student must complete a diagnostic language test in the language of instruction of the track.	Advice OLC (7.13 a)
4. Any student who does not achieve a pass on the language test must take the 'Refresher Course' organised by the Language Desk (Taalloket). The final test of the extra course counts as a resit of the language test and must be passed. Students who do not pass the Refresher course, will take a remedial course, which must be completed with a pass.	Approval OLC (7.13 c)
5. The language test is part of the following unit of education: Academische Vaardigheden Politicologie 1/Academic Skills Political Science 1. A mark can only be determined if the student has successfully completed the requirements of the unit of education, including a pass on the language test or relevant follow-up course.	Approval OLC (7.13 c)

11. Curriculum structure

Article 11.1 Academic core

Academic core is part of the study programme. This includes: • Academic Skills Workshop Political Science (level 100); • Social Research Methodology (level 100); • Descriptive and Inferential Statistics (level 100); • History of Social Sciences (level 200); • Philosophy of Science (level 200).	Ordinance CvB, see Appendix III
---	---------------------------------

Article 11.2 Major

1. The major comprises a package of compulsory and possibly optional units of education.	Ordinance CvB, see Appendix III
2. In addition, units of education are categorised as introductory (100), in-depth (200) and advanced (300) level.	Ordinance CvB, see Appendix III

Article 11.3 Compulsory units of education of the major

See Appendix III. A detailed description per unit of education can be found in the study guide.

Article 11.4 Elective units of education of the major

See appendix III.

Article 11.5 Practical exercise

Not applicable.

Article 11.6 Participation in practical exercises and tutorials

2. Students who receive a binding negative recommendation on continuation of studies cannot enrol in the following Bachelor's programme(s) offered by the Faculty during the subsequent three academic years: • Politicologie; • Political Science.	Advice OLC (7.13 f)
3. Exemptions are taken into account by the BSA committee in determining whether the norm has been met.	

15. Evaluation and transitional provisions**Article 15.1 Evaluation of the programme**

The education provided in this programme is evaluated in accordance with the evaluation plan in Appendix I. The faculty evaluation plan offers the framework.	Approval OLC (7.13 a1)
---	---------------------------

Article 15.2 Transitional provisions

By way of departure from the Teaching and Examination Regulations currently in force, the transitional provisions in Appendix II apply for students who started the programme under a previous set of Teaching and Examination Regulations.	Advice OLC (7.13 a)
---	------------------------

Advice and approval by the Programme Committee, on 15 September 2026.

Approved by the Faculty Joint Assembly, on 26 May 2026.

Adopted by the board of the Faculty of Social Sciences and Humanities on 16 September 2026.

Appendix I Evaluation Plan Bachelor Politicologie

Introduction

The Quality Assurance Framework FSS describes how the faculty continuously works to improve education. Evaluating education is part of this. This evaluation plan explains which methods of evaluation are used within the programme, with what frequency and how they are followed up.

A. Courses & Teachers

Methods and frequency

Digital course evaluations

How Questionnaire is sent by mail through Evalytics.
Frequency Each course: once a year.

Online office hours

How Online office hour for students by Programme Director and Programme Coordinator.
Frequency One hour each week.

Panel discussions/focus groups

How Programme Committee has focus group meetings with samples of students on specific courses.
Frequency 2-3 times per year.

Peer review by colleague

How Informal conversations with Programme Director, Programme Coordinator, and/or fellow teachers.
Frequency Incidentally.

Consultation with teachers

How In-depth conversation by Programme Director and Programme Coordinator with every teacher about teaching experiences and teaching portfolio.
Frequency At least once a year.

How Teaching staff meeting for all Political Science teachers.
Frequency Each period.

Consultation with Programme Committee

How Programme Director and Programme Coordinator attend meetings of the Programme Committee.
Frequency At least once a year.

Follow-up

- Following the course evaluation, the Course Coordinator assesses whether improvements need to be implemented. The Course Coordinator provides feedback to the students in Evalytics (if possible) or by other means. They also mention what has been done with the results of the evaluation, for example in the course manual of the following year. The Programme Director monitors whether the adjustments lead to the desired improvements.

- Following all course evaluations, the Programme Director discusses points for improvement with the Course Coordinators and the Programme Coordinator and consults the Programme Committee. The Programme Committee monitors whether the follow-up results in the desired improvement.

B. Curriculum & Connection Labour Market

Methods and frequency

Digital Curriculum Evaluation

How Digital survey on curriculum.

Frequency Once every three years. Planning: '26-'27, '29-'30, etc.

Panel discussions/focus groups

How Speak Your Mind sessions with students.

Frequency Twice a year.

Consultation with Field Advisory Council (VAR)

How Offline meeting with VAR by Programme Director and Programme Coordinator.

Frequency At least once a year.

Alumni survey

How Digital survey (to be done in '25-'26, besides National Alumni Survey and VU Alumni Monitor).

LinkedIn alumni community: Amsterdam Political Science Alumni Network (APSAN).

Frequency To be decided, but perhaps once per three years.

Curriculum discussion with teachers

How Teaching staff meeting for all Political Science teachers.

Frequency Each period.

How Mentor meetings in years 1-3 (those in year 3 devoted to labour market orientation).

Frequency Twice per year.

Consultation with Programme Committee

How Programme Director and Programme Coordinator attend meetings of the Programme Committee.

Frequency At least once a year.

Follow-up

Following all evaluations related to the curriculum and the connection to the labour market, the Programme Director assesses whether improvements will be implemented. The decision and implementation are coordinated in consultation with the instructor(s), the Programme Coordinator, and the Programme Committee. The Programme Committee then monitors whether the follow-up leads to the desired improvement.
