

## Easily personalize your account.

### Register for the website

Go to **myplan.johnhancock.com**. Click on 'First visit? Register here'.  
Log in using your personal information.

### Manage your account

- Tailor your personal goal
- Change your contribution amount and investment selection(s)
- Provide your beneficiary information by visiting 'My Profile, Beneficiaries & Settings' from the main menu

### Access the tools and resources available to you

The website has something for everyone. Online you can:

- Review your statements
- Get tips, tools and information on becoming financially fit
- Access your Summary Plan Description, Fund Fact Sheets and Fund Prospectuses

## Consider consolidating your accounts.

You may be able to combine other retirement accounts with your 401(k) plan with John Hancock. Contact us at **1-800-555-5165** for more information. Speak with a Financial Representative to determine if combining your retirement accounts is suitable for you, as other options are available.
