Number of facilities: 141

* The scope is part of the "Diagnostics and treatment within the conservative ward" benefit and the Insurer's exclusions of liability relating to this scope apply to it.

** The scope is part of the "General surgery" benefit and the Insurer's exclusions of liability relating to this scope apply to it.

The scope of benefits presented in the table above for a given hospital may cover only a part of the medical services resulting from the scope of the insurance agreement specified in the General Terms and Conditions of LUX MED Hospital Insurance – Full Care and depends on the scope of medical services provided by a given facility. Therefore, the provision of a specific medical service may require a Hospital indicated by the Insurer, other than the hospitals indicated in the lists, and the selection of a hospital appropriate for a given type of covered event shall be made at the stage of arranging the service together with the Hospital Care Coordinator.
