Administration for Community Living

May 14, 2021

Welcome, 2021 Falls Prevention Grantees!

About the Administration for Community Living (ACL)

- **Mission** – maximize the independence, well-being, and health of older adults, people with disabilities across the lifespan, and their families and caregivers
 - Commitment to one **fundamental principle** – people with disabilities and older adults should be able to live where they choose, with the people they choose, and participate fully in their communities
- 

About ACL (cont.)

Falls Prevention Grant History

- 2014: 13 new grantees and a new National Falls Prevention Resource Center
- 2015 – 2020: 55 new grants awarded
- 2021: 1 integrated network grantee and 10 empowering communities grantees

Why Falls Prevention from ACL

- One-fourth of Americans aged 65+ falls each year
- Every 11 seconds, an older adult is seen in an emergency department for a fall-related injury
- Falls are the most common cause of TBI
- Falls and their consequences cost the U.S. healthcare system ~\$50 billion annually

Participants Served to Date

Since 2014, ACL grantees have delivered evidenced based falls prevention programs to more than
130,000 participants!

Falls Prevention Grant Goals: Integrated Networks

- **Goal 1:** Strengthen state or regional community integrated health networks that address the social and behavioral determinants of health of older adults and adults with disabilities.
- **Goal 2:** Significantly increase the number of older adults and adults with disabilities who participate in evidence-based community programs to reduce falls and falls risk.

 - Innovations in Aging (now called Trellis), Minnesota

TRELLIS™

Falls Prevention Grant Goals: Empowering Communities

- **Goal 1:** Through robust partnerships, develop a result-based, comprehensive strategy for reducing falls and falls risk among older adults and adults with disabilities living in your community.
- **Goal 2:** Significantly increase the number of older adults and adults with disabilities who participate in evidence-based falls prevention programs, while concurrently pursuing the sustainability of these programs beyond the end of the grant period.

Agenda

1. About NCOA

2. Meet our team

3. Technical assistance resources

4. Questions

Who we are

Vision

A just and caring society in which each of us, as we age, lives with dignity, purpose, and security

Mission

Improve the lives of millions of older adults, especially those who are struggling

Goal

Impact the health and economic security of 40 million older adults by 2030, especially women, people of color, LGBTQ+, low-income, and rural individuals

The work we do

Resources

Trusted, unbiased information that enable older adults and their caregivers to take small steps that can have a big impact on their health and financial security

Tools

Personalized, online support for individuals to find benefits, choose a Medicare plan, prevent falls, and plan for a healthy and secure life

Best Practices

Technical assistance and support for professionals in community-based organizations who serve older adults every day

Advocacy

A national platform and voice to fight against ageism—and to strengthen the federal programs we all depend on as we age

Our focus areas

Healthy Living

1. Prevention
2. Physical Health
3. Behavioral Health
4. Aging Mastery

Financial Security

- Money Management
- Job Training
- Retirement Planning
- Benefits Enrollment

The people we serve

Older Adults

Parents, grandparents, neighbors, and friends, aged 60 to 80, living at home

Professionals

Individuals who serve older adults every day at senior centers, community-based organizations, and social and human services agencies

Caregivers

Multigenerational family and friends who care for an older loved one at home

Advocates

Individuals who want to shape aging policy and influence policymakers

Center for Healthy Aging

Goal: Increase the quality and years of healthy life for older adults and adults with disabilities.

- **Two national resource centers funded by the Administration for Community Living (ACL)**
 - Chronic Disease Self-Management Education (CDSME)
 - Falls Prevention
- **Other key areas:** Behavioral health, physical activity, immunizations, oral health

Improving the lives of millions of older adults, especially those who are struggling, is not just your job—it's at your core. Gain your inspiration here and walking the walk so that each of us can live and age with dignity, purpose, and economic security.

New Search Tool for Evidence-Based Programs

Find programs that are a good fit for your community and eligible for Older Americans Act Title III-D Funding. See video tutorial: <https://vimeo.com/520118201>

The screenshot shows a search tool interface. On the left, there is a photograph of an elderly woman with glasses sitting in a chair, looking at a smartphone held by someone off-camera. To the right of the photo is a dark teal box with the text "Search for Evidence-Based Programs" in white and red. Below this is a paragraph of text explaining the tool. Underneath the teal box is a light blue search bar with the text "69 Search Results for:" and "Enter Specific Program Name or Use The Filters Below". A search icon and the word "Search" are on the right side of the bar. Below the search bar is a "Clear Field" link. At the bottom left, it says "Filter by:".

Search for
Evidence-Based Programs

Evidence-based programs offer proven ways to promote health and prevent disease among older adults. Use this tool to search for evidence-based programs that match your community's needs and are approved for funding through Older Americans Act Title III-D. The programs included are not exhaustive and represent those that have been approved through the Evidence-Based Program Review Process.
