

**MOTION TO REQUEST THE OFFICE OF INSPECTOR GENERAL (OIG) AND THE
LOS ANGELES COUNTY SHERIFF'S DEPARTMENT (LASD) TO TAKE THE
FOLLOWING ACTIONS:**

The Commission recognizes that the LASD has been involved in numerous fatal uses of force in recent years. Furthermore, the Commission also recognizes the concerns of various families who have reported post fatal use of force incidents of harassment from LASD patrol operations staff. This is a significant issue which requires a proactive and multifaceted response from both the OIG and the LASD. As such, the Commission directs that the OIG:

1. Initiate a formal inquiry and assessment as to whether harassment of families by LASD patrol operations staff is occurring and the nature of said harassment following fatal uses of force.
2. Report back to the Commission in writing within 60 days.

The Commission further requests that the LASD:

1. Initiate a formal investigation of alleged harassment occurring at the East Los Angeles and Century Sheriff stations associated with the families of those who have died as a result of a Deputy Involved Shooting.
2. Report back to the Commission in writing within 60 days.
