BLACK VOICES FOR HIV HEALTH & WELLNESS

Join the movement by sharing and using #LACOHBlackCaucus and #BlackVoices4HIVHealthWellness

Black Voices for HIV Health & Wellness is a community-led storytelling campaign led by the **Los Angeles County Commission on HIV Black Caucus** that honors the real-life experiences of Black people living with, working in the field of, and caring for those impacted by HIV in Los Angeles County. Whether you're a consumer, provider, advocate, or ally—**your story matters**.

At a time when HIV funding and services are being threatened across the country, our Black communities are at greater risk of being left behind. That's why now, more than ever, **we must speak up**.

By **sharing our truths** through **short videos**, **written reflections**, and **creative expressions**, we shine a light on the continued need for **accessible, affirming, and culturally responsive HIV services**. Together, we'll raise awareness, inspire action, and remind the world that behind every number is a name, a face, and a story that deserves to be heard—and protected.
