Stacy D. Phillips

Partner

Blank Rome LLP, Matrimonial and Family Practice Group

Stacy D. Phillips is a partner in the Matrimonial and Family Law Practice of Blank Rome LLP, in the Los Angeles office. She represents a wide variety of high-net-worth and celebrity clients as they undergo the significant and often difficult transitions involved in divorce and custody issues. In practice for more than 30 years, Ms. Phillips is known for her skilled persuasion and adept negotiation, aggressive advocacy, and compassion.

She has been recognized by SuperLawyers as one of the “Top 50 Women Lawyers in Southern California” every year since 2005; as one of the “Top 100 Southern California Lawyers every year since 2006”; and as one of the “Top 10 Southern California SuperLawyers” in 2010, 2011 and 2013-present. Ms. Phillips is also the author of *Divorce: It’s All About Control – How to Win the Emotional, Psychological and Legal Wars*, now in its seventh printing. She is a sought-after media commentator and speaker, active philanthropist, and advocate for children and families.

Ms. Phillips is most proud of the Adopt-A-Center Program, which she founded 1999. Each year, the Adopt-A-Center Program recognizes a deserving local nonprofit organization that helps children and families in Los Angeles, underwriting and hosting an event that benefits the organization’s constituency. These events raise both funds and community awareness for the selected nonprofit.

Just as she did at the beginning of her legal career, Ms. Phillips continues to believe in a philosophy that she often shares with her clients: “how we treat others, how we conduct ourselves and how we communicate during difficult times, can alter the course of our lives.”
